ASSOCIATE SPOTLIGHT

Congratulations to Olga Rivera for being selected Employee of the Month! Olga was chosen because she goes above and beyond.

Olga has been a server at Waltonwood for only 5 months and she has already been selected Employee of the Month. Olga is very friendly and is willing to help any resident in need. She even knows what residents want before they ask for it.

Olga moved from California to Virginia in 1995. After her 4th child went to college, Olga decided to enter the work force. She worked in public schools for 15 years as a cook and server. She then worked for a healthcare community before coming to Waltonwood.

In her spare time, Olga enjoys hanging out with her family, to include her Pitbull/Labrador mix. She also enjoys reading the bible and gardening, especially her roses.

AUGUST HIGHLIGHTS

Good Looking Grandpa Luncheon

Join Waltonwood in celebrating the special grandfathers in our lives with our Good Looking Grandpa Luncheon! RSVP for you and a guest with Carmine by 9/7! The Luncheon will be on Tuesday, 9/14 at 12:00.

FOREVER FIT: Focus on Flexibility

Flexibility refers to our bodies ability to freely move around one or multiple joints pain free and through a full range of motion (ROM). As we age muscles lose their elasticity becoming more rigid and stiff. By maintaining our flexibility as we age, we help to minimize the risk of falls while maximizing our performance of daily activities. Below are just a few tips and exercises that can help keep you lose, limber and feeling your best!

- Warm the body up emphasizing proper posture and technique to ensure safe and effective flexibility training
- Move slowly to the point of mild tension not to the point of pain
- Hold each static stretch for 10-90 seconds minimizing bouncing, jerking or excessive force that could cause a potential injury
- Breathe! Inhale before the stretch, exhale upon it and breather normally while holding the movement.

EXECUTIVE DIRECTOR CORNER

Labor Day is the 5th, a day to honor and recognize the American labor movement and the works and contributions of laborers to the development and achievements of the United States of America. Labor Day is a national "day off". Please have a fun and safe Labor Day holiday. We also have National Assisted Living Week the 11th through the 17th. This annual observance provides an opportunity for residents, their loved ones, staff, volunteers, and local communities to celebrate the individuals who live and work in Assisted Living. This years' national theme is "joyous moments". We have a full schedule of joyous community activities and events scheduled. Please join us in celebrating all those who live and work in Assisted Living.
