Trip to PSOP

The PSOP invited us to demonstrate our fitness drumming program. Everyone seemed to have a ball. We will be hosting a class at the PSOP starting Thur Sept 22nd.

Carinval Games

We played a delightful new game called simply, The Horse Race Game. It prepared us for our trip to the racetrack that is scheduled for Sept 13th!

Addington Place Carnival

Our community hosted a fun-filled carnival in August. The smells and tastes of the carnival were all around us as we enjoyed Cotton Candy, Popcorn, and Corndogs. Randy was fancinating magician and balloon artists. The evening was round out by the music talent of Tommy Tunes!
