From the Director's Desk:

As the days become shorter and temperatures begin to drop it's evident that fall will be upon us soon. It's a reminder to savor the final weeks of summer, fresh air and sunshine. Autumn is a beautiful season and an excuse to drink up the ever-changing scenery and hunker down for the cold days to come. Every fall makes me think of change. Change is amazing and brings new and wonderful things. As many of you have noticed our Coordinator team has changed a bit in the last few months, and the change is welcome with open arms. Our Culinary Coordinator, Dexter and our Community Relations Coordinator, Teresa are embracing the Liberty Court family with open arms, open minds to change and fresh ideas for things to come. As a whole the Coordinator team is made up of: Maintenance Coordinator, Culinary Coordinator, Community Relations Coordinator (admissions/marketing), Life Enrichment Coordinator (activities), Health Care Coordinator (Director of Nursing) and the Community Director. We are always open to suggestions and feedback. I am a firm believer that we never stop growing, learning, and improving. We hope that our residents and their families know we are always here for them and want their voices to be heard. We, like the ever-changing seasons, are evolving and want to bloom with each season.

Summer Courtyard Fun!

From the kitchen to you!

Fresh garden vegetables and fruits are always our favorite summer treat. Bringing back memories of youth, helping in the garden, or even enjoying the fruits of our labors in our own gardens.

Did you know Liberty Court can accept donations of fresh produce? We've been lucky enough to enjoy fresh sweet corn, tomatoes, zucchini and cucumbers this summer! If you have an abundance and are looking to share, please contact me to see if we could use your produce. We will more than likely find a recipe and enjoy, thanks to you!

Liberty Court Staff Spotlight

August GEM Award Winner:

Health Care Coordinator, Kasandra Bushman

Kasandra's extensive history in long-term care certainly makes her an asset to Liberty Court, but this nomination is a reflection of her dedication to our residents. Even on days where her workload is heavy, she gives her full attention to what's in front of her, making herself available to residents, family members, and staff, with compassion. She never hesitates to roll up her sleeves and lend a hand with direct resident care and when brainstorming ways to "Roll out the Red Carpet", her ideas are creative and help put our wheels into motion.

Kasandra is not only an amazing Health Care Coordinator, but a reliable co-worker and friend. We learn something new from her each day and feel so blessed to have her as part of our Liberty Court family!

Congratulations, Kasandra, on this well-deserved recognition!

Kickoff Life!

Along with the start of football season, we're looking forward to kicking off Fall! Our residents enjoy our community's wooded surroundings and wildlife year-round, but there is something extra special about this time of year when the leaves change from shades of green to shades of yellow, orange, and red. And what better way to embrace these changes than with seasonal treats, activities, and events. We hope you'll join us for the events we have going on in the months of September and October including Tailgate & Tour, Pumpkin Decorating Contest, Scarecrow Fest, and more..

More details to come!
