From the Corner Desk of Joey

I really tried hard to come up with a humorous spooky joke to celebrate October, but I seemed to have misplaced my funny bone! Happy Harvest season everyone, I hope that you are all staying nice and warm as things get a little chillier outside and perhaps have already enjoyed a bowl or two of chili. We are loving all the fall colors and decorations around the facility, as well as enjoying plenty of Halloween candy. Speaking off, I am hoping this year to reinstate a Wellington Place Holiday tradition by inviting the staff to bring in their little ones for a little trick or treating fun on Monday, October 31st. Details will follow, but if you are interested in helping with this event feel free to contact us! Finally, as much as we wanted to avoid it, we are once again right at winter's door. This is a good time of year to brush up on some basic

handwashing and other infection control procedures so that we are all prepared for flu season once again. If any of you are interested in learning more about these standard precautions and how we can work together to protect your loved ones feel free to pull me aside, I am always willing to chat about hand hygiene! I know I say it a lot, but I am going to reaffirm it once more here, thank you all for all the generosity and care you put in to assisting us here at Wellington Place at Whiting. You are all a very important piece of our Wellington Family.

A special thank you to Nancy & Denny, the Losinski Family, the Wallner Family, Cathy J, Kathy & Len, Sandy Oertel, Sharon Gagas, Dawn S and our other Anonymous Donors for your generous donations this month.
