

Employee of the Month

Meet our employee of the month, Sara Langel!

Sara joined the Addington Place team in February of 2021 as our Life Enrichment Coordinator. Sara puts her heart and soul into keeping our residents busy and engaged in activities that they enjoy. In addition to her Life Enrichment role, Sara is a vital part of our healthcare team. It doesn't matter what time of day, Sara is always willing to step up to the plate to provide extraordinary care to our residents. We would truly be lost without her.

Sara lives in Templeton, Iowa. She has an Australian Shepherd named Ryker. In her spare time she enjoys spending time with her friends and family and helping on her family farm. Thank you Sara for all that you do and demonstrating the core values of Addington Place of Carroll and Jaybird Senior Living.

Resident Spotlights

JOHN OESER

John prior to Addington Place lived on his farm south of Westside where he has farmed his entire life. His sons have now taken over the family farm. John has six children - four girls and two boys. John is very proud to say he has ten grandchildren and 16 great grandchildren to keep everyone busy.

John loves to play cards, listen to music, and overall just have a good time.

We are so thankful we get to share John & Arlene's smiles and personalities in our community! Thank you for being all around GREAT friends to all those in our community!

ARLENE TRENT

Arlene was born and raised in Michigan. Arlene and her late husband, Larry, moved to Las Vegas where they resided for 26 years upon moving back to Addington Place of Carroll in March of this year. Arlene has one son and twin daughters who have blessed her with a total of five grandchildren.

Arlene loves to stay active whether that means going for walks, playing cards and board games, or attending all other activities throughout the day!

Mask Policy

Rules on masking remain the same. Everyone who enters our building wears a mask. This also includes any entertainer/vendor. Family members are still asked to wear a mask in the common areas and are able to dine with their loved one only in a private dining area or resident apartment.

PAJAMA DAY during
National Assisted Living
Week

TIE DYE DAY was a hit!

Everyone enjoying a tour of the
country!

Life Enrichment News

As September has come and
gone in a flash, FALL has
ARRIVED!

While September gave us many
fun events with National
Assisted Living Week and
provided us with fun
opportunities, I have no doubt
October will bring the same. Fall
is such a fun time of year while it
lasts! I am so excited to bring a
happy fall to all! I have no doubt
it will be a great, busy one!

We will be doing many fall
activities this month as well as
some activities surrounding our
theme for October, which is "We
Need S'more People Like You!".
Bonfires are always a good time
and this just gives us the perfect
excuse to sit outside and enjoy
the crisp fall air curled up in a
blanket.

As always if there is anything we
can do for your loved one,
please feel free to reach out!
