G. SOCIAL SECURITY REQUIREMENT

Regulations require that assistance applicants and residents, excluding residents age 62 and older as of January 31, 2010, whose initial determination of eligibility was begun prior to January 31, 2010, and those individuals who do not contend eligible immigration status, to disclose and provide verification of the complete and accurate SSN assigned to them. The requirement to disclose and provide verification of a SSN is no longer limited to those assistance applicants and residents six years of age and older.

The SSN, along with the name and date of birth of an individual, is used by HUD to verify the individual’s identity, obtain employment and income information about the individual through computer matching programs for verification purposes at recertification and to ensure that the Department is not paying duplicate rental assistance on behalf of that individual.

Exceptions to disclosure of Social Security Number:

Individuals who do not contend eligible immigration status

Mixed Families: For projects where the restriction on assistance to noncitizens applies and where individuals are required to declare their citizenship status, the existing regulations pertaining to proration of assistance or screening for mixed families must continue to be followed. In these instances, we will have the Tenant’s Citizenship Declaration on file whereby the individual did not contend eligible immigration status to support the individual not being subject to the requirements to disclose and provide verification of a SSN.

NOTE: We will not deny assistance to mixed families due to nondisclosure of a SSN by an individual who does not contend eligible immigration status.

HUD regulations do not prohibit an individual (head of household with other eligible household members) with ineligible immigration status from executing a lease or other legally binding contract.

Individuals age 62 or older as of January 31, 2010, whose initial determination of eligibility was begun before January 31, 2010. Please note that only the Head of Household must be age 62 or older in order for household to be considered eligible

- ✦ The eligibility determination is based on participation in either a Public or Indian Housing or Multifamily HUD assisted program. The eligibility date is based on the initial effective date of the form **HUD-50059 or form HUD-50058**, whichever is applicable.
- ✦ The exception status for these individuals is retained if the individual moves to a new assisted unit under any HUD assisted program or if there is a break in his or her participation in a HUD assisted program.
- ✦ When determining the eligibility of an individual who meets the exception requirements for SSN disclosure and verification, documentation must be obtained from the owner of the property where the initial determination of eligibility was determined prior to January 31, 2010, that verifies the applicant's exemption status. This documentation must be retained in the tenant file. **Leisure Manor will not accept a certification from the applicant stating they qualify for the exemption.**
- ✦ Existing residents as of January 31, 2010, who have previously disclosed their SSN and HUD has determined their SSN to be valid.

H. VALIDATION OF SOCIAL SECURITY NUMBER

Leisure Manor will confirm HUD's validation of the tenant's SSN by viewing the Household's Summary Report and the Identity Verification Report in the EIV system.

I. TIMEFRAME FOR PROVIDING SOCIAL SECURITY NUMBERS

✦ **APPLICANTS CURRENTLY ON OR APPLYING TO WAITING LIST**

Applicants do not need to disclose or provide verification of a SSN for all non-exempt household members at the time of application and for placement on the waiting list. However, applicants must disclose and provide verification of a SSN for all non-exempt household members before they can be housed.

✦ **HOUSING APPLICANTS FROM THE WAITING LIST**

If all non-exempt household members have not disclosed and/or provided verification of their SSNs at the time a unit becomes available, the next eligible applicant will be offered the available unit. The applicant who has not disclosed and/or provided verification of SSNs for all non-exempt household members has 90 days from the date they are first offered an available unit to disclose and/or verify the SSNs. During this 90-day period, the applicant may, at its discretion, retain its place on the waiting list. After 90 days, if the applicant is unable to disclose and/or verify the SSNs of all non-exempt household members, the applicant should be determined ineligible and removed from the waiting list.

J. VERIFICATION OF SOCIAL SECURITY NUMBER

Leisure Manor will verify and document each disclosed SSN by:

- ✦ Obtaining the documentation listed below from each member of the applicant's or tenant's household:

Acceptable Verification Documents

2. Court Records

3. Driver's License with Social Security Number
4. Earnings Statements on payroll stubs
5. Form 1099
6. Life insurance policy
7. Original document issued by a federal or state government agency which contains the name, SSN, and other identifying information of the individual
8. Retirement benefit letter

- ✦ Making a copy of the original documentation submitted, returning the original to the individual and retaining the copy in the file folder;
- ✦ Recording the SSN on line 45 of the form HUD-50059 and transmitting the data to TRACS in a timely manner.
- ✦ To ensure that the SSN transmitted to TRACS is valid, Leisure Manor will use the Failed EIV Pre-Screening Report and the Failed Verification Report in EIV in accordance with the instructions in the current HUD Housing Notice, **Enterprise Income Verification System**.
The Failed EIV Pre-Screening Report identifies residents who failed the EIV pre-screening test due to invalid or missing personal identifiers.

The Failed Verification Report identifies residents that have had their personal identifiers sent to SSA, via HUD's computer matching program with the SSA, but the data could not be verified by SSA due to missing or invalid information or other SSA issues.

We will reject a document that:

- ✦ Is not an original document; or
- ✦ Is the original document but it has been altered, mutilated, or is not legible; or

ONCE SOCIAL SECURITY NUMBER VERIFIED

- ✦ Once the individual's SSN has been verified, Leisure Manor will remove and destroy the copy of the documentation referenced above by no later than the next recertification of family income or composition.
- ✦ Paper documentation will be destroyed by shredding, pulverizing or burning.
- ✦ Electronic documentation will be destroyed by erasing or permanently deleting the file.
- ✦ The retention in the tenant file of the Household Summary Report from the EIV system which will report the status of the identity verification process provides verification of the SSN. Retaining this report in the tenant file and destroying the copy of the SSN documentation will minimize the risk of exposing the individual's SSN.

N. PROCEDURE FOR ACCEPTING APPLICATIONS AND PRE APPLICATIONS

- 1) **Initial Application.** Applications are taken only when the Wait List is open for unit type being requested. This property does not use pre applications. All Prospective residents 18 years and over must fill out the application in full. The form is reviewed with the applicant(s) if application is returned in person to make sure that answers are clear and that all information is given. All persons intended to reside in the apartment must be named, and no one not listed may live in the unit. If an appropriate unit is available now or in the near future, and no eligible waiting list applicant has priority, the application is processed immediately for approval or rejection.

The application information allows tentative determination (subject to confirmation) of the applicant's eligibility (family size, household characteristics, estimated anticipated annual income, assets now owned and disposition of assets during the previous two years.) Disability status is required **only** if the applicant is requesting a disabled-accessible unit or special accommodation.

Applications may be picked up and dropped off in the Leasing Office Monday thru Sunday We do accept faxed copies. You may also mail your **completed** application. See above for address.

- 2) **Pre-Qualifying Eligibility.** The three applicants at the top of the waiting list are considered active prospects even if a unit is not yet available. Steps are taken to qualify the applicants so that when a unit becomes available the pre-screening, including verifications, is already completed. Verifications are kept current within 120-day periods. If the top applicant is found to be ineligible, the next party on the wait list is the lead applicant.
- 3) **Interview.** An interview is held to determine final qualifications of the applicant to be placed in the next available unit. Application information is updated, the applicant is advised of the penalty for false information, current income and asset data are checked, and additional verification forms are signed if needed. Social Security information or certifications are given. Potential accommodation for disabled applicants is considered. Final occupancy determination is not made until certification procedures are completed.
 - ✚ Upon receipt of the original application, the application is preliminarily reviewed. The initial review will be for application completeness, to make sure that the application is legible and to initially determine if the applicant appears to qualify for the **Section 8 Program**. This in no way means that an applicant qualifies, or is eligible. Eligibility can be confirmed only after all items, which may have any bearing on the rent that the applicant may pay, or subsidy he/she may receive are verified: income, assets, family composition, etc. The applicant must be determined eligible to be offered housing.
 - ✚ As an applicant's name approaches the top of the Waiting List, or when an applicant is being offered housing, a formal interview will be scheduled. At that time the applicant is interviewed, all items on the application will be discussed and confirmed, and verification forms will be signed by the applicant authorizing management to verify all of these

issues/items. Until all items are verified, eligibility cannot be determined, nor any housing offered. Management must attempt to verify all factors with "third party" written verification, per **HUD Regulations and Procedures**.

- ✦ In the absence of third party verification within 14 days after attempting third party verification, and no response being received, management will use "Review of Documents" to verify items/issues in accordance with the **HUD Handbook 4350.3** and all revisions.
- 4) **Placement on Wait List.** A wait list is maintained for each unit **type**. **If no appropriate-type unit is available for eligible applicants, they are placed on the list for desired unit type, if requested.** Based on current experience with turnover on that unit type, an estimate is made as to the possible length of waiting time. **No promise is made**, since conditions, time schedules and priorities may change.
- ✦ Any applicant who appears to qualify after **Leisure Manor** reviews the application, but before any information is formally verified, and for whom a unit is not currently available, will be placed on the Waiting List. All received applications are noted with date and times received, and enter the Waiting List in the chronological order of receipt. One Waiting List is maintained for all apartments at **Leisure Manor**. The applicant is informed of the approximate wait for a unit and/or placement position on the waiting list. It is the applicant's responsibility to report changes on the application to **Leisure Manor** in a timely fashion.
 - ✦ Any applicant on the Waiting List is required to contact **Leisure Manor** every six (6) months to update their information, by completing a revised application form when necessary. Any applicant on the Waiting List is required to contact the **Leisure Manor** when a change of address, phone, income or family composition occurs. This contact must be done in the form of writing. Contact may be initiated by **Leisure Manor** in the form of a routine letter/postcard, sent to all applicants on the Waiting List, requesting update information, asking if they wish to remain on the Waiting List and stating that if the letter is not responded to within fourteen (14) days, their name will be dropped from the Waiting List without further notice.
 - ✦ When the number of names/families on the Waiting List for any particular size exceeds the annual apartment turn over for that size unit, the Waiting List may be closed. Management will advise potential applicants of the closure of the waiting list and refusal to take additional applications. A notice will be prominently posted in the Management/rental office or reception area and in a local newspaper, stating the reason Waiting List is closed and the effective date of the closure. When the Waiting list is to be reopened, notice of this will be placed in the same local publication, as well as notifications sent to appropriate social service agencies stating when the Waiting List will be re-opened, as well as times and days that applications will be taken. This is done in accordance with the **Affirmative Fair Housing and Marketing Plan (HUD Form 935.2A)**.
 - ✦ If an applicant on the Waiting List is offered an apartment and refuses the offered apartment, he or she may remain on the Waiting List if the refusal is for a verifiable medical reason. The applicant will move to the bottom of the Waiting List. Any other refusal reasons are considered valid reasons for refusal at management's discretion. In any event, a second refusal, for any reason other than one due to a disability, will cause the application to be rejected and the applicant's name removed from the Waiting List. This applicant may reapply in the future, at a time that applications are being taken.
 - ✦ When a unit becomes available, in-place residents requiring a different unit will be housed appropriately before we move in an applicant on the Waiting List. This allows management to treat current residents having the greatest housing need prior to applicants on the Waiting List. In this manner, we are able to avoid displacing, through any action, current residents whose housing needs have changed since admission.

- ✦ Applicants who are experiencing hardships due to health or financial reasons will not be moved from their original date on the waiting list if proper documentation is received by management.
- 5) **Notification and Updating.** The applicant is notified when an appropriate unit is available. Applicant interest is verified at least annually. The applicant can be asked to re-contact the office in six months; however, management is responsible for reviewing the list and confirming continued applicant interest and eligibility. An annual inquiry letter sent by management does this. If there is no response from applicant within two weeks after sending letter, or a negative response (returned undeliverable), the applicant is removed from the waiting list.
 - 6) **Applicant Refusal.** Applicants who are offered occupancy and refuse an apartment two different times will be removed from the waiting list, unless the applicant has a verified “hardship”. A “hardship” will be defined as, but not limited to, undue financial burden or poor health.
 - 7) **Holding Period.** An apartment will be held for a maximum of 14 days for an applicant (from the time the applicant is notified that an apartment is available) to effective date of the lease.
 - 8) **Changes to Application.** All changes to the application and waiting list updates must be in writing from the applicant. Changes to the application will become effective when received from the applicant at the rental office. It is the responsibility of applicant to notify management of any changes to the contact information. Applicants may be rejected if they do not keep management informed of current contact information.
 - 9) **Process Start.** When the applicant’s name nears the top of the Waiting List, the detailed verifications process begins. Resident files contain documentation of all verifiable data. All information pertinent to the eligibility, admission and continued occupancy of a resident household must be verified in accordance with Federal program regulations. Interviewing and documentation will be completed by the management staff to ensure that all applicants/residents are made aware of the Federal program regulations. Verifications will be used to determine if all of the information contained on the Application/Recertification Checklist is true and correct. Information to be verified includes, but is not limited to:
 - ✦ Allowances
 - ✦ Assets
 - ✦ Credit History
 - ✦ Criminal Record
 - ✦ Enterprise Income Verification (EIV) will be used to determine if applicants are receiving Section 8 subsidy from their current landlord
 - ✦ Enterprise Income Verification (EIV) will then be used on all residents at their interim and annual recertification to check the records kept by certain public agencies
 - ✦ Family Composition
 - ✦ Income from all sources
 - ✦ Rental History
 - ✦ SAVE System for noncitizen status

Interview. The eligible applicant/resident is interviewed by the Management Representative to determine their eligibility status. At this time the applicant/resident is requested to sign releases for verification.

Documents. All “permanent” documents (photo identification i.e. driver licenses, birth certificates, social security cards, etc.) are photocopied and placed in the applicant/resident file, at the time of application.

Independent Verification. Third parties are used as a primary source for information.

Release Consent. All applicants and residents (age of 18 and up) are required to sign Consent to the Release of information (HUD 9887 AND 9887a) at admission, annual recertification, interim recertification or initial certification. Failure to do so is grounds for rejection or termination of your lease.

Zero Income. An applicant or resident who claims zero income will be required to complete and sign a Certification of No Income on a monthly basis by the sixth (6th) of each month. If an applicant/resident does not apply for benefits for which they may be qualified (e.g., AFDC, unemployment, child support, etc.), verification by the Management Representative of not receiving benefits is not required. However, there must be a signed statement from the applicant/resident verifying that they have chosen not to participate in the benefit program for which they may be eligible in the applicant file.

O. ENTERPRISE VERIFICATION SYSTEM (EIV)

The use of the EIV system as upfront income verification (UIV) technique, serves as a valuable tool in validating tenant reported income during interim and annual recertification of family income; as well as in streamlining the income verification process, resulting in less administrative burden in complying with third party verification requirements. EIV helps identify and cure inaccuracies in housing subsidy determinations, which benefits Leisure Manor, residents and taxpayers by ensuring that the level of benefits provided on behalf of families is proper. Finally, the use of EIV assists in preventing fraud, waste and abuse within Multifamily Housing's Rental Assistance Programs.

EXISTING TENANT SEARCH REPORT

This report identifies applicants applying for assisted housing that may be receiving rental assistance at the time of application processing at another location.

We will use this report during the interview process as follows:

- (1) When we are processing an applicant for admission to determine if the applicant or any applicant household members are currently being assisted at another Multifamily Housing or Public and Indian Housing (PIH) location.
- (2) Discuss with the applicant if the report identifies that the applicant or a member of the applicant's household is residing at another location, giving the applicant the opportunity to explain any circumstances relative to his/her being assisted at another location.
- (3) Follow up with the respective PHA or O/A to confirm the individual's program participation status before admission, if necessary, depending on the outcome of the discussion with the applicant. The report gives Leisure Manor the ability to coordinate move-out and move-in dates with the PHA or Owner/Agent of the property at the other location.
- (4) Retain the search results with the application along with any documentation obtained as a result of contacts

ANNUAL RECERTIFICATION

A current form HUD-9887 must be on file before accessing the employment or income data contained in EIV for a tenant. The form must be signed and dated by:

- (1) Each adult member of a household regardless of whether he or she has income.
- (2) The head of household, spouse or co-head, regardless of age, and each family member who is 18 years of age or older must sign and date the form at move-in, at initial (when tenant begins receiving a subsidized rent, e.g., [Section 236](#), tenant begins receiving [Section 8](#) and annual recertification)
- (3) A family member when he/she turns 18.

The form is valid for 15 months from the date of signature.

HUD recommends that at annual recertification or reexamination, Owner /agents (o/a s) ask whether the tenant or any member of the tenant's household is subject to a state lifetime sex offender registration in any state program in any state. Owner and PHAs should verify this information using the DRU SJODIN national sex

offender database and/or other official, federal, state, and other official federal, state, and local resources and document this information in the same manner as at admission.

All residents will be required to complete an annual recertification questionnaire at annual recertification and answer question as to whether the tenant or any member of the tenant's household is subject to a state lifetime sex offender registration in any state program in any state.

Additionally, management will use the DRU SJODIN national sex offender database to determine whether the tenant or any member of the tenant's household is subject to a state lifetime sex offender registration in any state program in any state and document this information in the same manner as at admission.

P. PROCEDURES FOR APPLYING PREFERENCES INCLUDING INCOME-TARGETING IN SECTION 8 PROPERTIES

1) Preferences.

Leisure Manor has permanently suspended Federal Preferences, in accordance with HUD directives. However, preference will be given to individuals and families displaced by government action or a presidentially declared disaster. In the event of such a displacement by government action, selection of displaced applicants will follow in compliance with the Extremely Low Income requirements.

Preferences **affect only the order of applicants on the Wait List**. They do not make anyone eligible who was not otherwise eligible, and they do not change management's right to adopt and enforce resident screening criteria (please refer to **ELI Procedures** within this Plan for further information).

2) Special Priority. Leisure Manor has ten apartments specially equipped for persons with physical disabilities. Disabled applicants have priority; for these 10 designated apartments when available. Reasonable accommodations will be made for those people who are disabled and or disabled in accordance with Section 504. Priority for disabled designated apartments will be first given to current residents.

3) Income-Targeting (HUD 4350.3: 4-5). Leisure Manor is required to lease not less than 40% of the dwelling units (assisted under the contract) that become available for occupancy in any project fiscal year to extremely low-income families. To accomplish this income-targeting requirement, management will alternate between the first extremely low-income applicant on the waiting list and the applicant at the top of the waiting list (**HUD 4350.1, 4-5 B 2 b (2)**). To implement this method, Leisure Manor will select the first extremely low-income applicant on the waiting list (which may mean "skipping over" some applicants with higher incomes) for the available unit, and then select the next eligible applicant currently at the top of the waiting list (regardless of income level) for the next available unit. As subsequent units become available, resident selection continues to alternate between the next extremely low-income applicant and the eligible applicant and the eligible applicant at the top of the waiting list until the 40% target is reached. A status letter will be sent to any qualified applicant who may have been skipped over in order to meet HUD required income targeting.

Q. APPLICANT SCREENING CRITERIA

The following are areas management will consider when approving applicants for residency:

Assets

In accordance with the Department of Housing and Urban Development's guidelines, we will apply an asset test to all applicants.

Assets include all liquid asset accounts, including but not limited to Checking Accounts, Certificates of Deposit, Gifts, Savings Accounts and stocks.

Causes for Rejection

An applicant will only be rejected after consideration of the Mitigating Circumstances Policy, including but not limited to successful rent payment history over the past 48 months. The causes for rejection are further outlined in each of the sections noted below.

Certification Process

Upon initial occupancy, household income cannot exceed the income restriction for the respective unit size as determined by the area median income which is adjusted for household size.

Third-party income verification will be required from all sources, including, but not limited to:

- + Child/Spousal/Family support;
- + Disability;
- + Employment;
- + Government Assistance, SSI, TANIF, AFDC, GA, etc.;
- + Pensions/Retirement/Annuities;
- + Property, Home, Stocks, Bonds, Annuities, IRA, etc.;
- + Savings and Checking;
- + Social Security;
- + Unemployment Benefits

Income calculations are based on the household's annual anticipated gross income for the 12 (twelve) months. Annual gross income includes income from any and all assets.

Credit

A credit check will be run on all applicants 18 years and over at initial certification as condition of occupancy.

Credit standards are set forth below:

Applicant passes review by credit agency and/or by direct contact with banks and other financial sources. Lack of credit history in itself does not justify rejection. Past credit problems may be explained by the applicant so that credit judgment is made on current information.

Credit reports are pulled for all adult household members. Each member must meet the same requirements. Although there are some exceptions listed below in the Reasons to Overturn a Rejection upon Appeal Section, reasons for rejection of an application due to information contained on applicant's credit report include the following factors that have affected applicant's ability to pay rent in prior tenancies:

Bankruptcy/Repossessions

- + Any personal bankruptcy within the past thirty six months that has not been remedied

Charge-Offs/Collections

- + "Charge-Off" of delinquent debt
- + Unpaid collections, judgments or liens exceeding \$2,000.00, excluding medical bills and student loans;
- + Unpaid balance due a current or prior landlord;
- + A significant number (3) of Non-Sufficient Funds (NSF) checks within the past thirty six month period;

The information will be evaluated on a case-by-case basis.

Lawsuits

- ✚ Any suit pending or not remedied which is deemed to affect financial ability

Examples of the type of lawsuits which would fall into this category include:

- ✚ Bankruptcy That Has Not Been Discharged
- ✚ Check Fraud
- ✚ Embezzlement
- ✚ Eviction
- ✚ Welfare Fraud

Repossessions

- ✚ Repossessions, excluding voluntary repossessions within the past thirty-six months except when part of a bankruptcy, divorce or legal separation

Tax Liens

- ✚ Current tax liens

Reasons to overturn a rejection upon appeal include:

- ✚ Applicant lacks credit history, since lack of a credit history does not constitute negative credit.
- ✚ Applicant can prove that a prior eviction or poor credit is the result of a divorce or the result of the applicant having been a victim of domestic violence and that it was determined in a court settlement that the applicant's spouse was solely responsible for such poor credit or eviction and such spouse will not be living with applicant at Leisure Manor Apartments; or,
- ✚ Applicant can prove that a prior eviction or poor credit is the result of a documented medical hardship
- ✚ Proof of adherence to a payment plan for past due collections; or,
- ✚ The unlawful detainer was caused by non-payment of rent and that any future rent payment is guaranteed by third party payment.

Criminal Activity

A criminal background check will be run on all applicants 18 years and over at initial certification and each annual recertification as condition of continued occupancy.

A criminal background check will be required for all household members aged eighteen [18] years and older and emancipated minors. Criminal standards are set forth below.

Facts regarding behavior of one or more members of the household and prior conduct requiring police and/or court action will be considered.

A criminal background reference check is conducted to determine if applicants and/or members of an applicant's household have any criminal background. During the admissions screening process, Leisure Manor must perform the necessary criminal history background checks in the state where the housing is located and in other states where the household members are known to have resided;

Applicant households will be reviewed to determine that they have not had any of the following:

Leisure Manor is required to deny admission to Federally-assisted housing if:

- ✦ Any household member has been evicted from Federally-assisted housing for drug-related criminal activity, for three years from the date of eviction. If the evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program or circumstances leading to the eviction no longer exist, Leisure Manor may, but is not required to, admit the household.
- ✦ Any household member is currently engaging in illegal drug use.
- ✦ Leisure Manor determines that there is reasonable cause to believe that a household member's illegal use or a pattern of illegal use of a drug may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. (Examples of evidence of illegal activities may include a conviction record, former landlord references, etc.)
- ✦ Any member of the household is subject to a lifetime registration requirement under a National Sex Offender registration program. In accordance with Federal law, Leisure Manor shall establish standards that prohibit admission to any federally assisted property to sex offenders subject to a lifetime registration requirement under a state sex offender registration program. During the admissions screening process, Leisure Manor must perform the necessary criminal history background checks in the state where the housing is located and in other states where the household members are known to have resided.
- ✦ Leisure Manor determines that there is reasonable cause to believe that a household member's abuse or pattern of abuse of alcohol interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

Employment

If applicant is scheduled to begin employment, but has not yet received his or her first paycheck, applicant must provide an Offer Letter from employer submitted on employer's letterhead. This letter must include the following information:

- ✦ Hire Date
- ✦ Rate of Pay
- ✦ Number of Hours Worked Per Week
- ✦ Number of Overtime Hours Per Week
- ✦ Number of Shift Differential Hours Per week
- ✦ Bonuses Scheduled
- ✦ Commissions Anticipated
- ✦ Raises Within Next 12 Months
- ✦ Tips

Falsification of Application

All information provided on the application will be verified. False, inaccurate or incomplete information may result in disqualification of an application. Intentionally providing false information on any part of the application is considered fraud and may result in failure of the applicant to obtain a unit, or if discovered after an applicant becomes a resident, may result in loss of the assigned housing unit. All income will be verified by management via third party verification from employers and/or other sources of income.

HUD Occupancy Criteria

Meets all HUD occupancy criteria. Income is not more than 50% of median income in the area ("Very Low Income"), for the 99 Section 8 apartments. [Income and rent computations, documentation requirements and verification procedures are explained in HUD 4350.3 Chapter 3.](#)

Identification

In order for household background check to be performed, all household members age 18 and above must provide one form of identification from the list below:

- ✦ Birth Certificates- for household members under age 6
- ✦ Driver's License

- ✦ Government Issued Photo Identification Card
- ✦ Passport
- ✦ State Identification Card
- ✦ Visa

Income Documentation

We will consider Gift/Family Support from a family member as “other” income if the family member can show proof of 12 times the amount of monthly subsidy in a bank account and complete our “Gift/Family Support Affidavit Form” (which must be notarized) for those households with incomes that fall below our minimum income requirements.

The following criteria will be considered in conjunction with the Mitigating Circumstances Policy.

- ✦ References from applicant’s current and previous landlords for a period of four years will be reviewed.
- ✦ All applicants must have positive prior landlord references indicating ability to care for the property and pay rent on time, as well as the ability to peacefully cohabitate with other residents. A history of violent or criminal behavior may be cause for denial of application.

Keeps Agreements

Demonstrated ability and willingness to keep lease agreements, including: pay rent on time, maintain the unit in good condition, respond to recertification requirements, cooperative occupancy habits (noise, trash, etc), no family member uses illegal drugs. This information is obtained from prior landlords, personal credit and criminal references.

Landlord Reference Check

A landlord reference check of an applicant’s rental history for the past 48 months is conducted to determine the following:

- ✦ Demonstrated ability to pay rent on time and in full;
- ✦ Demonstrated ability to live peacefully with others;
- ✦ Followed the rules and regulations of rental companies;
- ✦ Kept rental unit in a manner which did not create an unsafe or unhealthy environment or pose a health danger to other residents;
- ✦ Kept rental unit undamaged;
- ✦ No history of receiving notices for lease violations;
- ✦ Gave sufficient notice of intent to vacate;
- ✦ No noise complaints;
- ✦ No disturbances or illegal activities;
- ✦ No unpaid Non-Sufficient Funds (NSF) checks;
- ✦ No unauthorized household members
- ✦ No blatant disrespectful, disruptive or antisocial behavior toward the management or staff , the property, or other applicants/residents
- ✦ No sales of narcotics
- ✦ No eviction for cause with exception off documented medical hardship
- ✦ No destruction or theft of property
- ✦ No acts that threaten the health, safety or welfare of other residents

Applicants who have past evictions or negative landlord references strictly for non-payment of rent, but who now have a verified payee to guarantee timely rent payment, will not be automatically declined under the eviction or rental history criterion described above. However, subject to reasonable accommodations, applicants will be declined for evictions for other causes.

In cases where applicants do not have any previous landlord, or if no previous landlord is available, staff will request 3 personal references from someone not related to the applicant, such as a counselor or caseworker. However, lack of such references is not an automatic basis for denial.

Other Allowable Screening Criteria

EIV as noted in Section N above.

References

Have favorable (or no unfavorable) comments from prior landlords, personal and credit references. Mitigating circumstances will be considered.

Retired or Unemployed Individuals

Retired or Unemployed Individuals must supply the previous year's signed tax returns.

Security Deposit

Household must be able to pay a deposit as calculated on 50059 Form. Installment agreements are available.

Seasonal Employment

Individuals who receive income from seasonal employment will need to provide the previous years signed tax returns.

Self-Employed Individuals

Self-employed individuals must be able to provide last two years of signed tax returns; past, present and projected Profit and Loss Statements. Self-employed individuals must also sign a Self-Employment Affidavit which must be notarized.

R. PROCEDURES FOR REJECTING INELIGIBLE APPLICANTS

The following are reasons why applicants will be rejected.

- 1) **HUD Criteria.** The applicant does not meet HUD's occupancy requirements, including unit size, unit type, income limits, etc.
- 2) **Lack of Adequate Information.** The applicant refuses to or cannot provide all required application information including Social Security numbers or certifications. Refusing to sign required documents (i.e. Verification Authorization forms, Consent to Release of information, etc.) will be grounds for rejection.
- 3) **Negative References.** The prior landlord(s) up to four years back or other references provide negative reports regarding keeping of lease terms, payment of rent and other occupancy obligations, housekeeping habits, engaging in illegal activity, or incompatibility with other residents and neighbors. These reports are verified as much as possible and the applicant is given a fair opportunity to overcome negative reports by explaining mitigating circumstances. These explanations must be verified. Mitigating circumstances can include disabled-related problems when there is the potential to overcome those problems through reasonable accommodation.
- 4) **Credit.** All available credit references are checked without charge to the applicant. Rejection is possible if credit reports contain substantive negative information. (If other criteria are satisfactory, the applicant is given an opportunity to respond to negative credit reports.) Examples of poor credit are:
 - a) left prior housing owing money to landlord;
 - b) prior eviction unless for documented medical emergency;
 - c) two or more accounts in collection status exceeding \$2,000.00;
 - d) bankruptcy within the last three years (36 months) for reasons other than medical emergency, divorce, death of spouse;
 - e) civil judgments against the applicant not yet resolved.

Circumstances will be reviewed and applicant responses considered. Applicants who have been previously evicted or are currently under eviction will be rejected.

- 5) **Criminal Record.** Facts regarding behavior of one or more members of the household and prior conduct requiring police and/or court action will be considered. The basis for rejection includes but is not limited to the following:
- a) Any conviction or adjudication other than acquittal for generally violent crimes and felonies in all states, including but not limited to: criminal homicide, manslaughter, robbery, assault, arson, etc.
 - b) Any conviction or adjudication other than acquittal that involved injury or potential injury to a person or property.
 - c) Any conviction or adjudication other than acquittal for generally non-violent crimes, the severity or existence of crime vary from state to state including, but not limited to other simple assaults, forgery, fraud, embezzlement, weapons, etc.
 - d) Any conviction or adjudication other than acquittal for the sale, distribution or manufacture of any controlled or illegal substance.
 - e) Any conviction or adjudication other than acquittal involving illegal use or possession of any controlled or illegal substance.
 - f) Any current illegal user or addict of a controlled or illegal substance.
 - g) Any act which results in the person's tenancy constituting a threat to the health or safety of other individuals, result in substantial physical damage to the property of others, or interfere with the peaceful and quiet enjoyment of the premises.
 - h) Any conviction or adjudication other than acquittal, for any sexual offense.
 - i) Registration on any state sex offender registry.
 - j) Any conviction or adjudication other than acquittal, which involved bodily harm to a child.
 - k) Any conviction or adjudication other than acquittal, for domestic violence, dating violence, sexual assault or stalking.
 - l) Eviction for Drug Related Criminal Activity from federally assisted housing for drug related criminal activity within the last 3 years.
 - m) Alcohol abuse or pattern of abuse, of alcohol interferes with the health, safety or right to peaceful enjoyment of the premises by other residents.

Applicants have an opportunity to explain all adverse references. Individuals with such records will not be admitted even if other eligible family members are admitted. Any applicant or household member who has been arrested for any of the above-described offenses will have their application suspended until the case has been legally resolved.

(6) Notification. If management rejects an applicant for any reason a rejection letter will be sent to the applicant. This letter will state in writing the reasons and provide an opportunity for the applicant to respond or ask for a meeting. If applicant wishes to appeal the rejection they must do so within 14 days. If requested by applicant the meeting will be with a staff member or agent who is not the same person who made the original rejection determination. A follow-up written response will be sent within five days of the rejection hearing. Rejection records will be kept at least three years.

NOTE: Applicants with no verifiable rental or credit history will be given due consideration using personal references from three reliable sources other than relatives or close friends (e.g. clergyman, teachers, employers, etc.)

S. OCCUPANCY STANDARDS

The occupancy limits are as follows:

Apartment Size	Minimum Occupancy	Maximum Occupancy
Studio	1	2

T. UNIT TRANSFER POLICIES, INCLUDING SELECTION OF IN-PLACE RESIDENTS VERSUS APPLICANTS FROM THE WAITING LIST WHEN VACANCIES OCCUR

- 1) **Available apartments** will be filled alternately, for appropriate size, by outside applicants on the wait list and applicants from within the complex who qualify for a move. Exception: residents eligible for an accessible unit will be offered that unit when available even if the list includes outside applicants. If no outside applicant is ready for timely move-in, the unit may be offered to the next current eligible resident. Internal moves require a new lease and related documentation.
- 2) **Residents** must live at Leisure Manor for at least one year prior to placement on the wait list for an internal move unless the move is a result of a reasonable accommodation or a medical necessity. This is to avoid temporary move-ins to wait for a different-size unit.
- 3) Internal moves may be caused by doctor-verified medical condition, reasonable accommodations and safety. The cost of all internal moves is a resident responsibility **with the exception of internal moves as a result of reasonable accommodations**. Residents must be given a thirty-day notice of internal moves. Failure to move requires payment of the market rent on the present unit and failure to pay such rent is a material non-compliance with the lease.

NOTE: Residents are required to advise management immediately when family size or other unit-needs change.

- 4) **Residents qualifying** for the Wait List for an internal move must register the move-request in writing with the management office, or may be notified of such qualification by management in writing. The wait-list date is the date the family became eligible for the unit change, such as a change in family size or other condition.
- 5) **Apartment transfers** due to personal preferences or roommate disputes are not considered transfer-eligible. The resident wishing a transfer must complete an application when the list is open. The application will be placed on the outside waiting list in chronological order based on the date and time the application is accepted.
- 6) **Criminal/Sex Offender Check will be required of all residents who wish to transfer to another apartment within Leisure Manor in accordance with guidelines set forth in HUD Notice 2012-11**

Management will allow in-house transfers, in the following situations:

- ✦ A unit transfer for a medical reason, including a reasonable accommodation (this will be verified with a medical practitioner using the Leisure Manor form);
- ✦ A transfer from a unit due to renovation of the previous unit.

Leisure Manor will first assign units to in-place residents who have a demonstrated need for a change in housing before offering units to an applicant on the Waiting List. Requests for transfers that are based on a need for a reasonable accommodation will be provided priority over other requests. Transfers will be provided to persons who have a medical or other **verified** need because of a disability in the chronological order received. All other transfers will be provided after requests for reasonable accommodations and will occur in chronological order by the date the request was received.

U. POLICY FOR OPENING AND CLOSING THE WAITING LIST FOR THE PROPERTY

The wait list may be closed when it contains a year's worth of applicants, based on current turnover experience, and is re-opened when there is a three-month supply of applicants. A 30-day notice will be posted giving the date and time that the waiting list will be opened. Re-opening and closing of the wait list is posted in the office, communicated to referral groups, and publicly advertised in accordance with the **Affirmative Fair Marketing Plan** for the property. Applications are not accepted when the wait list is closed. The Wait List is kept chronologically on a form, which states the date and time of the application, Head of Household name, unit size, income level (i.e. **ELI, VLI, LI**), Need for accessible unit, Comment/Contact, Removed/Rejected Date, Move-in Date, Preference Type. This list is a permanent record. (Note wait list may be closed for only specific unit types i.e. one-bedroom units)

V. GRIEVANCE PROCEDURE

Applicants have fourteen **[14] days** to notify management in writing if they feel that their application was unfairly denied. Management will only reconsider your application if you have any new facts or information that the applicant feels would have an effect on their application. Management will notify the applicant of their final decision within fourteen **[14] days** of receiving the applicant's written notice of appeal.

W. VIOLENCE AGAINST WOMEN ACT (VAWA PROTECTIONS)

The **VAWA** protections apply to families applying for or receiving rental assistance payments under the Project Based Section 8 program. The law protects victims of domestic violence, dating violence or stalking, as well as their immediate family members generally, from being evicted or being denied housing assistance if an incident of violence that is reported and confirmed. The landlord may request in writing that the victim, or a family member on the victim's behalf, certify that the individual is a victim of abuse and that the Certification of Domestic Violence, Dating Violence or Stalking, Form **HUD 91066**, or other documentation as noted on the certification form, be completed and submitted within 14 business days, or agreed upon extension date, to receive protection under the **VAWA**. Failure to provide the certification or other supporting documentation within the specified timeframe may result in eviction or denial of housing assistance.
