at BELL TOWER RESIDENCE

Dream Flights™

Dream Flights is a non-profit organization dedicated to honoring veterans and seniors with the adventure of a lifetime : a flight in a Boeing biplane. This year, the veterans of Bell Tower Residence are selected to participate on Sunday, July 17th at 9am at the Merrill Airport.

The Dream Flights Foundation was created in 2011 by Darryl & Carol Fischer out of their love for seniors and the aviation world. Their goal is to make the dreams of these heroes come true and inspire them to share their experiences of how they survived

through times of great strife and remind us of our shared humanity, our connection to each other and the value of listening. Dream Flights close the generation gap and open us up to a clearer understanding of ourselves and our world.

The joy and happiness that the foundation brings to the heart is beyond explanation. It is truly something that you must see and experience to understand, so we're asking all family members, staff, volunteers and our community to join us in honoring our veterans on Sunday, July 17th and give back to those who gave so much for us.

Bell Tower Residence will be providing transportation for our residents and veterans however family members are encouraged to bring their resident to be a part of this wonderful event!

Any questions can be directed to Allison Fierek, Director of Life Enrichment at 715-539-1403 or at afierek@carraigehealthcare.com.

It is bittersweet for me to tell you that my last day as your chaplain will be July 8. Although I will no longer be here as a chaplain, you can expect to see me around as a volunteer. I continue to hold each of you in prayer, trusting that God, who is unchanging, continues in His care, provision, and love for each of you. Blessings, Frances

If you know of a resident, volunteer or staff member that would benefit from a little sunshine, just fill out one of our slips at the front desk and we will do the rest!

THE LONGEST DAY
alzheimer's association

Thank you to everyone that participated in our Longest Day Fundraiser for the Alzheimer's Association! We sold 100 T-shirts, 317 glasses of lemonade, had over \$500 in online donations and raised over \$1,000 for the cause! We are so grateful for the participation and can't wait for next year's event!

Thank you to our donors

Our 2022 Geranium sale would not have been possible without the generosity of our donors. Together, we purchased 150 geraniums from Down To Earth Greenhouse to plant on the grounds of Bell Tower. A special thank you to our volunteers Russ & Jim for assisting our residents in planting.

Julie, Phil and Nancy share some laughs and lunch during our Eagles Club Lunch Outing this past month!

Chaplain John is awarded a Certificate of Excellence from a couple of witty residents whom appreciated him going above and beyond to rid the Bell Tower Grounds of Thistle. Great job, John!
