### The History of Veterans Day, A Day of Gratitude

On November 11th, U.S. citizens will honor and express gratitude for those who have served our country on what is known as Veterans Day. It is a U.S. holiday that honors veterans of all wars.

What you may not know is that its history has had quite a few interesting twists and turns.

In 1918, during World War I, on the 11th hour of the 11th day of the 11th month, hostilities ended between the Allied nations and Germany—on "Armistice Day." The Treaty of Versailles, which marked the end of the war, was signed on June 28, 1919, but the armistice date was the one most people

What is the difference between Veterans Day and Memorial Day? Memorial Day, in May, is dedicated to Americans who have served and who passed away during (or as a result of) serving. Veterans Day honors all Veterans, alive and who have passed.

In November of 1919, Armistice Day was observed by many countries with parades, public celebrations, and pauses to business and school activities at 11 am.

Then, in June of 1926, Congress passed a resolution saying November 11 should be commemorated yearly. As of May 13, 1938, Armistice Day was a legal Federal holiday.

#### Resident Spotlight: Sherry W.

We are excited to shine a light on and welcome Sherry to our Community! Sherry was born in Albert Lea MN and greatly enjoyed her career as a Cards Dealer at Casinos!

She was married for over 50 years to her husband David, having a one son together.

Sherry loves music and laughed as she shared that she could always get into live concerts for free since her husband was a drummer in a band!

Sherry has a heart for animals as we found out on a scenic drive to a dog park, yelling out how she loved every one of them!!!

Sherry is very sweet and always smiling and has been a great addition to our Farmington Square Family and we look forward to getting to know her even better!
