

## Recognizing Our Veterans with Honor Flight

This Veterans Day, we honor our veterans for bravely standing tall against some of history's greatest odds. That's why, through the Trilogy Community Foundation, we're proud to partner with the Honor Flight Network—a once-in-a-lifetime offering available to the veterans who call our communities home.

The Honor Flight Network's main purpose is to provide veterans with the opportunity to visit memorials dedicated to their services at no cost to them. In addition to a free flight, these trips include deluxe tour bus service, meals, snacks, t-shirts, and several other amenities. Honor Flight Network also provides trained, volunteer guardians to accompany veterans through the entire trip if the veteran is without one.

This past July, Trilogy resident Roger McCombs embarked on his own Honor Flight adventure. As a veteran of World War II, he was able to speak with several other WWII service members from the area and take an Honor Flight through the skies of Danville, Kentucky. The spotlight was on

the Greatest Generation once again as Roger and his new friends reminisced on a lifetime of service.

Whether it's Veterans Day or just another Tuesday, thank you to all of our residents, employees, and family members who have answered the call of duty. It is truly our honor to serve you.

## Executive Director Corner

Happy November, everyone!

It's hard to believe we're already in the last months of 2022 – a year filled with Happy Hours, family events, and of course, some of the best Theme Weeks we've ever had. Shoutout to everyone who was a part of our recent Great Gatsby Gala – we couldn't have asked for a better time spent with you!

As we get ready for the season of giving, I want to give thanks to all of our residents and employees who have answered the ultimate call to service. Veteran's Day takes place on

Friday, November 11th, and is a time for all of us to reflect on the sacrifices made by the men and women who bravely wore the uniform so that we could enjoy days like today. It is truly our pleasure to serve you.

There's still a lot of celebrating to be done in the days and weeks ahead - so be sure to keep your eye out for everything that we have planned both for Thanksgiving and beyond. More to come soon!

Until our next adventure,

*Stephanie Anderson*

Executive Director

## Family Night

Family Night was such a hoot! Everyone came out to enjoy the delicious food, games, and live entertainment.

# PHOTO HIGHLIGHTS

*Chef's Corner: There are so many kinds of tomatoes. They can be used for many dishes. I think our favorite way to eat them is to right off the vine. And these are White Oak grown!*

*Artisan Program: Nancy is one of the most talented artist we have at White Oak. She also likes doing a little crafting as you can see by the smile on her face.*

*Community Connections: This team from White Oak joined the Walk to End Alzheimer's this year. This one of the best events I have volunteered for. If you want to volunteer for next year's walk give us a call.*

*Customer Service Moment: We have the Best Environmental Services Team! They always go above and beyond for our residents. They keep White Oak looking beautiful!*

*Smile of the Month: Sunshine on my shoulder makes me happy! What a great way to spend the afternoon. Our residents enjoy sitting in the courtyards and just soaking up the sun.*

*Happy Hour: Our Assistant Director of Food Services showing off some of her mad skills with a Pancake Bar for Happy Hour. It was delicious!*

## Did You Know...?

You can sponsor a resident for Christmas. Come in and take an angel from the Angel Tree from the front lobby of main campus. They will available November 1st.
