

## Recognizing Our Veterans with Honor Flight

This Veterans Day, we honor our veterans for bravely standing tall against some of history's greatest odds. That's why, through the Trilogy Community Foundation, we're proud to partner with the Honor Flight Network—a once-in-a-lifetime offering available to the veterans who call our communities home.

The Honor Flight Network's main purpose is to provide veterans with the opportunity to visit memorials dedicated to their services at no cost to them. In addition to a free flight, these trips include deluxe tour bus service, meals, snacks, t-shirts, and several other amenities. Honor Flight Network also provides trained, volunteer guardians to accompany veterans through the entire trip if the veteran is without one.

This past July, Trilogy resident Roger McCombs embarked on his own Honor Flight adventure. As a veteran of World War II, he was able to speak with several other WWII service members from the area and take an Honor Flight through the skies of Danville, Kentucky. The spotlight was on

the Greatest Generation once again as Roger and his new friends reminisced on a lifetime of service.

Whether it's Veterans Day or just another Tuesday, thank you to all of our residents, employees, and family members who have answered the call of duty. It is truly our honor to serve you.

## Executive Director Corner

Happy November, everyone!

It's hard to believe we're already in the last months of 2022 – a year filled with Happy Hours, family events, and of course, some of the best Theme Weeks we've ever had. Shoutout to everyone who was a part of our recent Great Gatsby Gala – we couldn't have asked for a better time spent with you!

As we get ready for the season of giving, I want to give thanks to all of our residents and employees who have answered the ultimate call to service. Veteran's Day takes place on Friday, November 11th, and is

a time for all of us to reflect on the sacrifices made by the men and women who bravely wore the uniform so that we could enjoy days like today. It is truly our pleasure to serve you.

There's still a lot of celebrating to be done in the days and weeks ahead - so be sure to keep your eye out for everything that we have planned both for Thanksgiving and beyond. More to come soon!

Until our next adventure,

*Peninah Wood*

Executive Director

## Smile of the Month

This month's smile of the month is a resident who can be frequently spotted engaging in activities with his friends. Eddie is creative, outgoing, loves music, dancing and snacks.

## Live A Dream

The Live a Dream program demonstrates our continued commitment to exceeding the expectations of our seniors and their families in everything we do. Live A Dream offers opportunities for seniors to enjoy activities that they used to do more often, but have since been unable to do so. This time, however, we make them extra special! Live A Dream not only grants these chances, such as skydiving, zip lining, or riding motorcycles, but we also grant priceless experiences that encourage us all to keep our dreams alive.

## Volunteers Needed

Ridgewood Health Campus welcomes volunteers! We have long-term opportunities, short-term, or even one-time-only events at which to serve. Volunteers can help in a variety of capacities: Decorating, exercising, and more. With so many options, it will not be difficult to find the right fit for you. Contact Jeni Schnebelt, Life Enrichment Director, to schedule your opportunity today.
