Recognizing Our Veterans with Honor Flight

This Veterans Day, we honor our veterans for bravely standing tall against some of history's greatest odds. That's why, through the Trilogy Community Foundation, we're proud to partner with the Honor Flight Network—a once-in-a-lifetime offering available to the veterans who call our communities home.

The Honor Flight Network's main purpose is to provide veterans with the opportunity to visit memorials dedicated to their services at no cost to them. In addition to a free flight, these trips include deluxe tour bus service, meals, snacks, t-shirts, and several other amenities. Honor Flight Network also provides trained, volunteer guardians to accompany veterans through the entire trip if the veteran is without one.

This past July, Trilogy resident Roger McCombs embarked on his own Honor Flight adventure. As a veteran of World War II, he was able to speak with several other WWII service members from the area and take an Honor Flight through the skies of Danville, Kentucky. The spotlight was on

the Greatest Generation once again as Roger and his new friends reminisced on a lifetime of service.

Whether it's Veterans Day or just another Tuesday, thank you to all of our residents, employees, and family members who have answered the call of duty. It is truly our honor to serve you.

To learn more about Honor Flights and if you're eligible to apply, talk to a member of our team today!

Happy Birthday!

Executive Director Corner

Happy November, everyone!

It's hard to believe we're already in the last months of 2022 – a year filled with Happy Hours, family events, and of course, some of the best Theme Weeks we've ever had. Shoutout to everyone who was a part of our recent Great Gatsby Gala – we couldn't have asked for a better time spent with you!

As we get ready for the season of giving, I want to give thanks to all of our residents and employees who have answered the ultimate call to service. Veteran's Day takes place on

Friday, November 11th, and is a time for all of us to reflect on the sacrifices made by the men and women who bravely wore the uniform so that we could enjoy days like today. It is truly our pleasure to serve you.

There's still a lot of celebrating to be done in the days and weeks ahead - so be sure to keep your eye out for everything that we have planned both for Thanksgiving and beyond. More to come soon!

Until our next adventure,
Marshall Hopkins
Executive Director

OUT & ABOUT

Our days can get a bit wild! At the end of September, we went to the Zoo! Lions, tigers, and bears; OH MY! It was a great time to spend with friends. It was a gorgeous day and we made it through the whole zoo, viewing everyone's favorite animals. We even got to pet sharks, view a dolphin show, and dance with birds. It was nice to see the zoo decorated for Halloween! What a fun day!

Featured Resident

For the last few weeks, we have been reading a novel created by one of our very own Joyce! We started a Bookworms Book Club and heard some short stories from her life. We laughed together and reminisced! Sharing similar stories that we also experienced! We also loved having the author sign our books! Thanks, Joyce, for sharing your story!

Volunteer Shout Out!

We want to give a huge thank you to Pam and Nancy! Pam is the daughter to one of our beautiful residents and she offered to bring in some gorgeous flowers from her garden! The residents each got to make a bouquet for their room to enjoy! They were able to pick their favorite flowers from the bunch and create a masterpiece to view every day! Gorgeous! Again, thank you so much!

Thank you Pam and Nancy for donating flowers to brighten the residents rooms

Smile of the Month

This month's smile of the month goes to Suzi! Just look at that beautiful smile! Suzi is friendly to everyone she meets. She is often spotted socializing with the girls at mealtimes. According to Chaniya, in activities, she gives the best hugs! Suzi loves going outdoors to get fresh air and joining her peers in game night! This woman is an animal lover and joined us on our zoo outing last month! Suzi's favorite past time though is relaxing in her room!

THANK YOU TEAM LEADERS

A big thank you to our servant leaders! We are grateful for you! We love our team here at Springhurst and want to thank them for what they do every day! The leaders decided to come around with a make your own candy apple bar & apple cider! The staff were honored of this kind gesture! Thank team for always going above and beyond for our residents.

Thank you Springhurst Team!

The leaders wanted to show their gratitude to all the team members that work hard here each day!
