## Recognizing Our Veterans with Honor Flight

This Veterans Day, we honor our veterans for bravely standing tall against some of history's greatest odds. That's why, through the Trilogy Community Foundation, we're proud to partner with the Honor Flight Network—a once-in-a-lifetime offering available to the veterans who call our communities home.

The Honor Flight Network's main purpose is to provide veterans with the opportunity to visit memorials dedicated to their services at no cost to them. In addition to a free flight, these trips include deluxe tour bus service, meals, snacks, t-shirts, and several other amenities. Honor Flight Network also provides trained, volunteer guardians to accompany veterans through the entire trip if the veteran is without one.

This past July, Trilogy resident Roger McCombs embarked on his own Honor Flight adventure. As a veteran of World War II, he was able to speak with several other WWII service members from the area and take an Honor Flight through the skies of Danville, Kentucky. The spotlight was on

the Greatest Generation once again as Roger and his new friends reminisced on a lifetime of service.

Whether it's Veterans Day or just another Tuesday, thank you to all of our residents, employees, and family members who have answered the call of duty. It is truly our honor to serve you.

*To learn more about Honor Flights and if you're eligible to apply, talk to a member of our team today!*

# Happy Birthday!

## Smile of the Month

Norma H. can be seen throughout the campus, taking a stroll or off visiting other residents. She enjoys participating in exercise, socializing, and going on outings. Norma's smile is something that is infectious and makes those around her smile too. Thank you, Norma, for brightening our days!

## Executive Director Corner

Happy November, everyone!

It's hard to believe we're already in the last months of 2022 – a year filled with Happy Hours, family events, and of course, some of the best Theme Weeks we've ever had. Shoutout to everyone who was a part of our recent Great Gatsby Gala – we couldn't have asked for a better time spent with you!

As we get ready for the season of giving, I want to give thanks to all of our residents and employees who have answered the ultimate call to service.

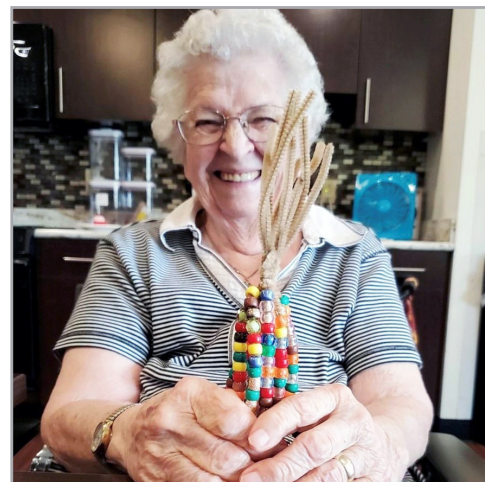

Veteran's Day takes place on Friday, November 11th, and is a time for all of us to reflect on the sacrifices made by the men and women who bravely wore the uniform so that we could enjoy days like today. It is truly our pleasure to serve you.

There's still a lot of celebrating to be done in the days and weeks ahead - so be sure to keep your eye out for everything that we have planned both for Thanksgiving and beyond. More to come soon!

Until our next adventure,  
*Kevin Craig*  
Executive Director

## Activities Corner

Autumn is finally here, and that means it's time for some earth-toned fall crafts to adorn our Life Enrichment room. Our fall projects are incredibly cute, super simple to make, and are bound to go wonderfully with the rest of our fall decorating. The residents begin by looking at a template of the design and then begin adding meaningful personal details to their own item. What matters far more than following the instructions is that we are spending time with one another, enjoying the company. No matter which project we choose to do, we know everyone will have a spectacular time!

## Family Night

St. Andrews recently hosted a carnival themed family night, and it was a blast! We began and ended with live music played and sung by Richard Scott - Country-Rock and Folk-Rock Super Hits of the 60's and 70's. There were carnival games and clowns, who made certain everyone was smiling and had an opportunity to have their picture taken. Our dietary team made so much delicious food; corn dogs, funnel cakes, caramel apples, and warm pretzels with cheese, to ensure no one went away hungry. Our Life Enrichment team contributed cotton candy, snow cones and popcorn for extra delights, and our Leadership Team assisted by helping

families complete their Fall Customer Satisfaction Survey and serving food and drinks. There is nothing like sharing a beautiful fall evening with your family eating, drinking, and being merry!

## Volunteers Needed

St. Andrews Health Campus welcomes volunteers! We have long-term opportunities, short-term, or even one-time only events at which to serve. Volunteers can help in a variety of capacities: Decorating, exercise, manicures, reading, animal visits, and more. With so many options, it will not be difficult to find the right fit for you. Contact Jeni Schnebelt, Life Enrichment Director, to schedule your opportunity today.

## Community Connections

During the month of October, St. Andrews Health joined Margaret Mary Health 'Painting the Town Pink!' This initiative creates awareness, celebrates survivors, supports those fighting and remembers those we've lost to breast cancer by decorating our business in pink all month long. In addition to wearing pink the first week of the month, St. Andrews also sponsored this initiative

through a donation to Margaret Mary, passed out pink ribbon cookies, had our breast cancer banner hanging all month, painted pink pumpkins, and encouraged our employees to schedule their mammogram. Curious about signs and symptoms, diagnosis and treatment? You can learn more at [Cancer.gov](http://Cancer.gov).

## OUT & ABOUT

With fall comes cooler temperatures, so we are getting in as many outings as possible before the real cold sets in. Residents enjoyed a brisk Saturday morning at the Batesville Farmers Market where they purchased all kinds of fruits and vegetables, as well as freshly baked goods. Next was Izzy's at Hillcrest where we found good food and a lively atmosphere. Lastly, we traveled to Harrison, Ohio to Cracker Barrel for its famous all-you-can-eat biscuits, tabletop peg games and general store that sells everything from throwback toys to vintage candy, and the residents were able to spend a few minutes rocking in the beautiful chairs on the porch before loading up on the bus again to head home.

## Upcoming Events

11/04 at 2:30pm – Duke Dell Music

11/06 – Daylight Savings Time Ends

11/08 at 3:00pm – Susie Grelle Music

11/08 – Election Day

11/11 – Veterans Day

11/11 at 2:30pm – Music by DJ Atkins

11/18 at 2:30pm – Don Stegemiller Music

11/20 Worship with Earl Thomas at 2:00pm

11/24 – Thanksgiving Day
