

Recognizing Our Veterans with Honor Flight

This Veterans Day, we honor our veterans for bravely standing tall against some of history's greatest odds. That's why, through the Trilogy Community Foundation, we're proud to partner with the Honor Flight Network—a once-in-a-lifetime offering available to the veterans who call our communities home.

The Honor Flight Network's main purpose is to provide veterans with the opportunity to visit memorials dedicated to their services at no cost to them. In addition to a free flight, these trips include deluxe tour bus service, meals, snacks, t-shirts, and several other amenities. Honor Flight Network also provides trained, volunteer guardians to accompany veterans through the entire trip if the veteran is without one.

This past July, Trilogy resident Roger McCombs embarked on his own Honor Flight adventure. As a veteran of World War II, he was able to speak with several other WWII service members from the area and take an Honor Flight through the skies of Danville, Kentucky. The spotlight was on

the Greatest Generation once again as Roger and his new friends reminisced on a lifetime of service.

Whether it's Veterans Day or just another Tuesday, thank you to all of our residents, employees, and family members who have answered the call of duty. It is truly our honor to serve you.

To learn more about Honor Flights and if you're eligible to apply, talk to a member of our team today!

Happy Birthday!

Executive Director Corner

It's hard to believe we're already in the last months of 2022 – a year filled with Happy Hours, family events, and of course, some of the best Theme Weeks we've ever had. Shoutout to everyone who was a part of our recent Great Gatsby Gala – we couldn't have asked for a better time spent with you!

As we get ready for the season of giving, I want to give thanks to all of our residents and employees who have answered the ultimate call to service. Veteran's Day takes place on Friday, November 11th, and is a time for all of

us to reflect on the sacrifices made by the men and women who bravely wore the uniform so that we could enjoy days like today. It is truly our pleasure to serve you.

There's still a lot of celebrating to be done in the days and weeks ahead - so be sure to keep your eye out for everything that we have planned both for Thanksgiving and beyond. More to come soon!

Until our next adventure,

Dawn Black
