Resident of the Month: Elaine B.

Elaine was born to Mary and Bernie on January 3rd in Washington D.C. Mary was a housewife while Bernie was a plumber for the US Department of State in Washington, DC until he retired to Florida. He worked as a part-time security guard to keep himself busy. Elaine grew up with 3 brothers. Elaine has lived in different parts of the U.S. including Washington D.C. and grew up in Omaha, Nebraska. As a young girl she took lessons to learn to play the accordion. She spent a lot of time with her grandmother who taught her how to cook and sew. They made her high school prom dress together, and even made a miniature version for a doll she had similar to a Barbie. She used these skills throughout most of her life making trendy clothes for both of her children, and oldest grandson. She made our Halloween costumes that were always the best in the neighborhood, and each costume had a matching trick-or-treat bag. She went to Cathedral High School in

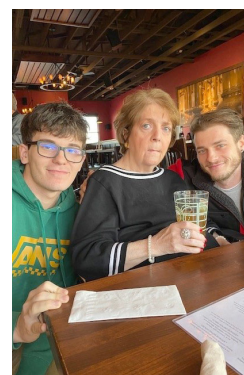

Omaha, Nebraska. She always went by her own clock and was known to be "just a few minutes" late every day. So much so, that the principal waited for her at the front door each morning with a tardy pass. She continues this tradition to this day, and has even passed it on to her son. Elaine worked for a Talent Agency in Washington, DC and booked bands for weddings, bar/bat-mitzvah's, Presidential Inaugurations, and many other high-profile events around Washington. The talent agency also had a booming Strip-A-Gram business.

Elaine met her spouse Jerry while he was going to art school in Omaha, Nebraska. Rumor has it, they met in the men's bathroom, but no one will confirm or deny. Jerry was a graphic artist. At one point he did freelance work for Time Life Books and designed an album cover for Luciano Pavarotti. He always had two jobs, they later went separate ways, but remain great friends.

After she was married, they moved to Maryland, and spent the next 18 years. In 1987, she moved to Florida, where she lived until 2016. Upon moving to Florida, she worked as a party and convention planner, until she retired around 2000. Late she traveled to D.C. She traveled with her lifelong friend Angie to Cape Cod several times where they spent time shopping for and collecting pottery and fused glass. She moved to Wisconsin in 2016 to be closer to her daughter and her family. She enjoyed going to the Waunakee Senior Center for movie days.

Elaine has two children Erinn and Ryan, a few favorite past times with them include coloring, cooking, sewing, and making jewelry – specifically bracelets. Elaine is proud of her family daughter, Erinn (Bill) and grandson Brendan that live in the Madison area and visit often. She shared her love for cooking with Brendan, who has worked as a chef for more than 10 years. Son, Ryan and his 2 kids, Kaiden and Kennedy. Kaiden recently graduated in the top 3% of his Marine Corps class and currently training in Virginia. Kennedy is in her senior year of high school.

Elaine spent her days working and being very creative. She did ceramics, and Erinn still has many of these items on display in her home. She learned to decorate cakes, so every birthday cake was homemade, and never store bought. Every year, she themed her holiday decorations, and had the most amazing Christmas trees that were always the envy of the neighborhood. Elaine is a woman of glamour and always looks good weather it is to go to breakfast or out to a crafting group she is decked out in beautiful jewelry!

Employee of the Month

Nene (CNA), SNF

I love working at Ingleside with my residents and all of their personalities. Everyone has watched me grow in to a wonderful CNA and I want to thank all of my residents and staff members.

A Letter from Kevin

Hello Family and Friends of Ingleside,

Many of you already know me, but for those of you who do not, I have been the Business Office Manager at Ingleside for the past year and 10 months. As some of you may already be aware, Danielle Sigler resigned from her position as Nursing Home Administrator on September 19, 2022. We were sad to see her go, but happy to see her advance in her career goals.

Since Danielle's departure, I agreed to step in as interim Administrator. Please know that we are working diligently to find a well-qualified candidate to replace Danielle, one who shares our values of providing excellent care and service to your loved ones. Our corporate office is also deeply involved in supporting our building during this transitional period.

Please reach out to me with any questions or concerns you may have. My telephone number is (608) 470-4098. During this interim period, I will continue in my role as Business Office Manager, so continue to contact me regarding any billing or insurance questions. I look forward to seeing and hearing from each of you.

Take Care!
