Facility News

Exciting news, we exceeded our goal in donations for **The Walk to End Alzheimer's**! We want to thank everyone who walked with us, made monetary or raffle basket donations, and came out to support us at our fundraising events! We had so much fun at our brat fry and with our night bartending at O'Brien's on Main! We're truly grateful to be able to raise awareness and donations for an organization so close to home. Please watch for our next newsletter for an exact dollar amount from all our donations!

As much as we all would like to avoid it, Father Winter is knocking on our door. With that being said, we are planning our annual holiday party! Mark

your calendars as we are tentatively planning for Saturday, December 17th. More details will be shared as we have them!

We are sorry to announce the passing of both Mary and Mark, who will both be sorely missed around the facility. Our hearts are with their families and loved ones.

Staff Appreciation Party:

We recently had our annual staff appreciation party at the end of August. We would like to thank all of our wonderful staff who care for our residents each day. This is not an easy job, and it takes a lot of heart. We would not be the amazing facility we are today without every one of you.

This season when you shop Amazon, they'll donate to our facility. Just login to Amazon or visit amzn.to/2lwBS5n and choose **Wisconsin Illinois Senior Housing Inc.** as your charity of choice.

Easy Turkey Craft

All you need for this easy turkey craft is some glue, a pencil, a black marker, scissors, and brown, orange, yellow, and red construction paper – googly eyes optional.

Start by tracing one of your hands (fingers and thumb tucked together) on a brown piece of paper. Then trace both hands with your fingers splayed out on two different colors (orange, red, yellow, green) of paper. Be sure to trace the individual fingers. For more “feathers” trace individual fingers on various colors of paper. Cut out all of your traced pieces. The heel of the handprint will be your turkey head. Arrange the finger hand prints and individual finger pieces behind the head/body piece to look like feathers and glue into place. Cut out two long strips of the brown construction paper and accordion fold for legs. Cut out feet for your turkey – use your imagination – it doesn't have to be perfect! Draw on a face (or use googly eyes if available) and cut a small triangle out of the red paper for the turkey wattle. Display your turkey for all to see at your family gathering.

From the Corner Desk of Joey

Hey everyone! If you still haven't made a decision about what you should wear to Thanksgiving this year, don't worry. I'm pretty sure I have a har-VEST you could borrow! Happy November everyone. Given the time of year I would like to take a moment to share some of the parts of Wellington Place I am most thankful for. Some things that immediately come to mind are the delicious foods Chris and Jenny make for us year-round, the wonderful laughter from our floor staff as they joke and interact with our residents, the kindness of those residents to allow us into their home so that we may care for them, and of course the tireless work of our management team to ensure the place continues to run smoothly. I recently went to a conference and there was a wonderful speaker there who shared with us some research done on the benefits gratefulness can have for our physical and emotional health, and I feel this is a great sentiment to go into the month with. Looking forward, of course, it just continues to get colder out! Remember to ensure that if you are taking your loved one out, even just to the car, they are bundled up and prepared. I have mentioned this before, but the cold is especially dangerous for us as we age! We must work together to ensure the safety of your loved ones during the winter months. I wish to express one more thank you to each and every one of you, your support is invaluable to us as a facility, and we are so happy to have you all as part of our Wellington Family!
