## MILESTONE —TOMAHAWK

**Welcome November:** Fall is here, but it seems like Winter is right out around the corner. We did get to take a ride to see the colors when we had the bus, but they weren't at their peak. Our Corporate theme for November is "Meet Us On Main Street" and we have many themed activities scheduled. Happy Thanksgiving to everyone and let's remember all that we have to be thankful for.

### November Birthday Club

Janet Y.-23rd

### Fundraiser:

**Fundraiser:** In October we collected nonperishable foods for the local Food Pantry. Thank you to everyone that donated.

Our November fundraiser will be to raise money to purchase gift/gifts for children in need at Christmas. We will be picking a name from the Kinship tree to purchase requested items. Thank You ahead of time for your generous donations.

**Resident Testimonial:** Jo Sili wrote the following her respite stay. "I want to express me deep gratitude for the dedicated work the staff at Milestone do day after day. "Kudos to Brittany, Cindy, Parrish and Jeremiah who went beyond sharing their time and talents, they deserve recognition "thank you". I was blessed to meet many wonderful people here at Milestone. My thoughts, prayers, and lots of hugs to all.

## Mary Jane Dare to Dream

### Young At Heart

Mary Jane Turns '99'- Dare to Dream

On Oct. 10<sup>th</sup>, 2022, Mary Jane Weege turned 99 years old at Milestone Senior Living.

Days before her Birthday when staff asked her how old she was going to be she teased,

"That's confidential and then laughed saying I think 79".

Teaming up with her son and daughter in law we planned a party. Some family and her Milestone friends attended. She came strolling into the well decorated dining room where everyone waited for her. She had on a velvet "Queen Cape" and "Tierra" wearing the biggest smile.

Mr. Constantine played "Happy Birthday" while we all sang. |

Her family ordered a customized cake w/ her Grand dog on it, she blew out the candles, we all cheered her on with a glass of champagne. Our goal was to collect 99 cards for her

and with the help of ST Mary's School children, we exceeded.

Mary Jane was very gracious, thanking everyone individually for coming, dancing with her daughter in law, listening to the music and collecting her cards.

Mary Jane had a fun filled afternoon and was exhausted by evening.

Her goal is to make "100" and she wants to celebrate it all over again.

Dear Residents and Families,

I am writing to inform you of changing leadership at your community. As of recently, I have replaced Emily Maule as Community Director of Milestone Senior Living in Tomahawk. I have already met some of you in my capacity as the Administrative Assistant for the 4 Northwoods communities. Tanya Gardner will now be taking on that role, with my focus being on Tomahawk.

For those of you that I have not had the opportunity to meet, I want to formally introduce myself and tell you a little bit about my background. I have been living in the Northwoods area with my family for more than 22 years. I have a 19-year-old daughter who lives in Oshkosh and a 14-year-old son who is a freshman in Rhinelander High School. I have been a part of the Milestone Senior Living family for a little over a year and a half now. I am incredibly excited for this 'new' chapter in my career. This position gives me the opportunity to create and form relationships with all of those that live in my community as well as their families and be a part of their lives as they are so much of mine. I again have the chance to bring new members into our building who will benefit from socialization and friendships, the assistance that they need, and retention of their independence as all of you and/or your family members are able to do. I am excited to be able to motivate, empower, and continue educating staff, add more great staff to this team, and provide you all with the best of everything that we are capable of.

Please feel free to reach out to me at any time and I look forward to being able to be a part of this journey! I can be reached at the contact information below.

Sincerely,

*Jennie Klinge*

# Seniors First SAFETY PROGRAM

Jaybird Senior Living is committed to the safety of our residents, going above and beyond in protecting them from harmful pathogens, including viruses such as the one that causes COVID-19.

*Clean takes the  
whole Team.*

In order to ensure these goals, Jaybird Senior Living has instituted the Seniors First Safety Program. We go above and beyond what is necessary.

- ◆ Enhanced cleaning policies, procedures, and protocols
- ◆ Partnerships with Ecolab and other health care providers
- ◆ Designed to amplify the safety of our residents and staff

This Jaybird Senior Living signature program is a manifestation of our commitment to those we serve.

## How are the Seniors in your life?

Holidays are a wonderful time to spend with the family. At times, those get togethers can be an eye opening experience. Did you notice Dad's appearance seemed disheveled? Did Grandma have pill bottles scattered throughout the house? Was Mom having trouble with word recall? **Wondering what to do now?**

**Milestone Senior Living - Eagle River** can provide 24-hour care, medication management, exciting activities every day, restaurant-style dining, and new friendships around every corner. Your loved ones will have an exceptional day every day.
