Embracing Every Moment

Manager

Welcome in the cold, November is here and that means the holidays and snow. For all you Peanut Butter fans November is National Peanut Butter Lover’s Month in the USA. What is everyone favorite holiday movie or food you must have or watch during this season? Please continue to bring ideas and solutions to each department to improve where you would like to see improvements. Please take the time and welcome our new HCC to Brown Deer Place

Brian Hervey

Administrative Assistant

Happy Fall!!!! I would like to welcome all the new residents here to Brown Deer Place. Please stop by the front desk and say “Hi” or ask me about anything that you may need ☐ And as a reminder to all of our long time residents, although I have taken some time off I am still here to help you all!!!!

Lillian Begg

Life Enrichment Coordinator

Holy cow I can't believe it already November! We are almost to a new year so it's a perfect time to reflect on the past year and realize all the things you have to be thankful for.

This month is Nation Alzheimer's Awareness month so to play our part as a community we will be decorating our door with purple wreaths to show our support and to educate ourselves and have a better understanding of Alzheimer's, we are welcoming The Alzheimer's Association to come to do an informative lunch & learn, where all family member are welcome to come. Lets do our part and spread awareness and understanding!!

There is lots of fun activities planned for this cold upcoming month so be sure to look at your November Calendar so you don't miss a thing!

Liz Achen

Community Relations Coordinator

November will bring cold weather and cozy days. Brown Deer Place is Thankful for all of our wonderful residents and are happy to welcome more each month. This is month is a good time to reflect on the people we love and care for who around us and be grateful for the many things we have each day. If anyone would be interested in showing the new residents around the community, please let me know. I would ask that you all reflect on when you first came and what that feeling was like. It is always nice to have someone be your partner and introduce you to everyone in your new community.

Stay warm and thankful during this November month!!

"What do you call a running turkey?" "Fast food."

Nick Dolphin

Cullinary Coordinator

Happy November! It's time to give thanks for the things we have had and the things that we have.

Brandon Howard

Health Coordinator Healthcare Coordinator

Hello Everyone!

My name is Casey, and I am the new Health Care Coordinator at Brown Deer Place. I was the Director of Nursing for long term care and skilled nursing facilities in Muscatine, Iowa for several years, and an ER nurse as well. I love what I do, and my favorite part of this job is being able to meet and establish closer relationships with residents and their families. I like getting to know the people that I care for, and feel that getting input from them and their families is vital to providing excellent care.

I currently reside in Muscatine with my significant other, and we have 4 awesome kids, ages 23, 17, 16, and 15. I also have a fur baby, my husky named Ghost. My kids tease me about having more photos of my dog on my phone than I do of them, and they're not wrong! ☹️ Ghost is a handful and can test the most patient of people at times, but I wouldn't change him for the world. Outside of work, I enjoy ice fishing, camping (even in the wintertime), cooking, home remodeling, drawing, and writing.

Maintenance Coordinator

We will soon be hearing our favorite 4-lettered word. SNOW! With the snowy season fast approaching I wanted to give parking directions for staff, residents and visitors.

When snow is in the forecast I ask that all people try to park cars in the front parking areas. This will ensure that the snow removal crews can clear the back and side parking areas at one time. Then please move cars to the back and sides once they are cleared so the front can be cleaned. If you do not wish to move your own car, I or other staff members can move your car for you. If you want to leave a key at the front desk we will move it for you that way as well. If any questions please contact me, Austin.

Austin Vincent

welcome home

Help welcome our new neighbors to the Brown Deer community

National Alzheimer's Disease Awareness Month in November shines a spotlight on the most common form of dementia. There is no cure for this disease that affects nearly 5.4 million Americans, and the number is growing. While the entire month is dedicated to raising awareness about the disease, it also focuses on increasing support for caregivers and sharing available resources.

If you think it only affects seniors, you'd be wrong. Early-onset Alzheimer's targets those under the age of 65. Over time, the disease becomes debilitating because of its progressive nature. Available treatments slow the progression, but there is no cure.

Continuing research requires support and early screening programs. As we increase our knowledge of the disease and improve treatments, early intervention will improve outcomes.

10 Signs

- Sign 1: Memory loss that affects day-to-day abilities**
- Sign 2: Difficulty performing familiar tasks**
- Sign 3: Problems with language**
- Sign 4: Disorientation to time and place**
- Sign 5: Impaired judgement**
- Sign 6: Problems with abstract thinking**
