November 30th

Resident Spotlight

November's Resident Spotlight is Edith Beres. She was born in Juneau County and resided in Mauston and Elroy for most of her adult life. Before retirement she worked in retail and also as a housekeeper. What some don't know about Edi is that she is a very talented artist. Her favorite kind of art to do is painting on canvas. Of course she is up for anything though, whether it be decorating pumpkins, stringing garland, painting plates, or even tie dying. She is also an avid Bingo player, enjoys morning exercise, and cooking club. The best thing about Edie is her smile. If you can catch one of those, your day will be made!

Special Days

In October we were lucky enough to have some 7th and 8th grade middle school students visit two days a week for an hour on each of those days. These students are enrolled in an enrichment class, and for a portion of that class time, they wanted to focus on volunteer work around the community. On Mondays the students are helping residents with some sort of craft, and on Wednesdays they help during Bingo. We hope to continue this through the rest of the school year. What a great way to give back to the community, and we sure love having them!

A couple of weeks ago our General Store opened. This is located upstairs in the Club Room. You will be able to find seasonal décor, snacks, beverages, puzzle books, greeting cards, and hygiene items there. It is open on Tuesdays and Thursdays from 10:00-11:00 AM. Items are priced anywhere from \$1.00- \$5.00. We can't wait to see you at the General Store!

A Word From Our Director

Hello everyone! I just wanted to give a quick update on some happenings here at Milestone! As most of you are aware, our beloved Lisa took a position working with Juneau County. Although she has already started her new job, she will still be helping out here in the office and on the floor when needed, until her replacement is fully trained. The person taking over Lisa's position is Tracie Prenkert. Tracie has a healthcare background and is looking forward to becoming part of the Milestone family. I have no doubt that she will fit right in and will be an amazing addition to lead our team! We will formally introduce Tracie in an upcoming newsletter. You will also see several new faces amongst our staff, as we have recently welcomed 6 new team members including 5 caregivers and 1 part time housekeeper. Our staffing is looking better than ever after a couple of hard years! We can't wait to see what the upcoming year brings!
