## *A Note From Our Executive Director*

Dear Resident's

Goodbye October, Hello November!

Wow! Just like that October is behind us and we are officially approaching the most wonderful time of the year! I hope you enjoyed this year's Halloween Bash! Such FUN! Congratulations to the Pumpkin Winners!

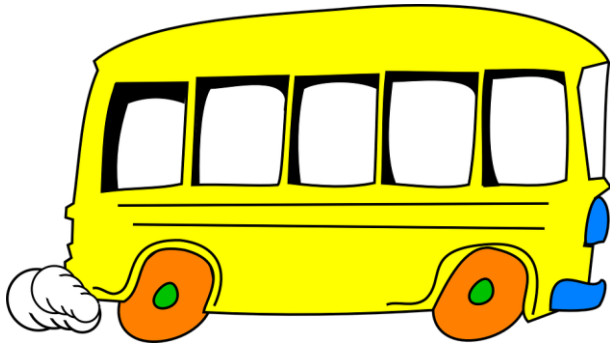

November is the month of Remembrance- There are people, places, and events from our past that stimulate memories and invoke emotions. They help tell a story and remind us of who we are and where we have been. During the month of November, there are many such events that are scheduled to take place in our community that will serve the purpose of reminding us of our roots. At the start of November, we have "All Souls' Day" which commemorates the faithful departed, one's relatives. In the lobby there will be a remembrance tree, you may write the name of a loved one lost on the ornament and place on the tree in their honor. Veterans Day, the restoration of the observance of Veterans Day to November 11 not only preserves the historical significance of the date but helps focus attention on the important purpose of Veterans Day: A celebration to honor America's veterans for their patriotism, love of country, and willingness to serve and sacrifice for the common good. Join us November 11<sup>th</sup> for a special luncheon and music honoring our military veterans. Thanksgiving- Thanksgiving has been a celebration of the blessings of the year, including the harvest. On Thanksgiving Day, it is common for Americans to share a family meal, attend church services, and view special sporting events. Thanksgiving is significant because it's a positive and secular holiday where we celebrate gratitude, family and friends, something that we may take for granted most days. You may celebrate Thanksgiving with your friends at the Hearth on November 24<sup>th</sup> at noon in the dining room.

As a reminder, you are encouraged to wear your mask while out in the community, practice infection control and report any illness to the Wellness Department. Covid- 19 is still prevalent regardless of vaccination status. Help us keep our community safe and healthy!

As we approach the wintery months, as a reminder, space heaters are prohibited. If you are experiencing heat issues report immediately. Staff will check windows for drafts, properly seal if needed and perform checks on zone valves/thermostats and repair if necessary.

I wish you all a safe, happy, and healthy holiday season!

Jennifer Mellone-Hoffmier  
Executive Director
