## Facility News

We want to thank everyone who walked We are planning our annual holiday party! **Mark your calendars as we are hosting on Saturday, December 17th from 11a-3pm.** We hope you can join us for an afternoon full of friends and family!

We would again like to **thank all of our friends and family here at Wellington Place for all their contributions to The Walk to End Alzheimer's!** We've recently received an award for having the "Largest Senior Care Team!" We were graciously gifted a beautiful frame by the Alzheimer's Association and have it hanging by the front door. Make sure you check it out the next time you visit!

As you all know every year we at Wellington Place take on the huge task of transforming our facility into a winter wonderland for our residents and their families. That being said, if anyone is willing to volunteer their time to help out with decorating we would be more than happy to accept the help. Please contact the facility if you are interested! ❄️

## Resident News

We are saddened to update our extended Wellington family the loss of Theresa L in the middle of November. She will be fondly remembered and missed by all.

On a happier note- Mary moved into Wellington Place from home in the middle September. She is a quiet and pleasant woman, who takes a bit to open up but loves to socialize once she gets to know you. Rodger moved into Wellington Place in the middle of November from another facility. He is an outdoorsmen and loves to chat, so if you haven't yet, please introduce yourself and welcome them to our Wellington family!

## From the Corner Desk of Joey

Ho Ho hello everybody! Happy holidays to you and your loved ones from everyone here at Wellington Place at Whiting. We hope to see you at our annual Winter Holiday Party on Saturday December 17th, it should be a great day filled with great food, quality time, and maybe even a visit from the big man in red himself (as well as his loving wife!). Whatever and however you celebrate we wish you the best and thank you for all your support over the past year. We have gone through a lot of changes the past couple of holiday seasons, some more challenging than others. As old traditions are brought back and new ones continue on I can't help but be optimistic for the future. We have been through a lot, but we have gotten there together; and, as a very wise bear in a bright red shirt once said "together, it's a wonderful place to be." Bundle up as we brave the coming winter months and try not to worry too much because spring is just around the corner!
