Resident of the Month: Jack W.

Jack was born in Bridgeport, Connecticut in 1935 to Harry and Anna W.. Harry immigrated to the USA in 1902 and was

employed in the electric utility industry. Anna stayed in the house raising the children and taking care of home.

As a boy, Jack had a reputation as someone who followed his passions. He loved to fish, fix up old cars, ride motorcycles and get into mischief with his buddies. He was 10 years old when World War 2 ended.

Jack enjoyed lithography and during his high school years began taking training to become a printing press operator. He was 15 years old at the start of the Korean War.

After high school he joined the Navy and was stationed in Virginia at Norfolk Naval Base where he continued his trade as a press operator. Jack often jokes that during his 2-years of active duty he "never set foot on a ship". He did, however, meet the love of his life, Annabelle Lee Powell, at one of the naval base facilities; they married six weeks after their first date. They would remain married for 57 years until Annabelle died in 2015.

Jack and Annabelle raised two sons. Every summer they would take their boys on a two-week vacation to a new place in the USA or Canada; fishing, canoeing, camping, and Disneyland to name a few. They lived in Tulsa, OK, Greensburg, PA, Pine Bluff, WI, and Leesville, SC. During most of that time, Jack was a printing press operator for about 47 years and achieved the coveted "Master Printer" certification. An expert in his trade, he was hand-picked at American Printing Company (Madison, WI) to travel to Germany to learn how to operate German-

made printing presses in Heidelberg and bring that training back to the USA and teach others.

When their boys graduated from school and went off to their adventures, Jack and Annabelle moved to warmer weather in Leesville, SC. They owned and operated a bed and breakfast (The Able House Inn) for 25 years, hosting travelers from around the world for short stays, wedding receptions and other large or small social gatherings. They loved to entertain and travel.

Jack and Annabelle were active members within the Evangelical Lutheran Church and their community. Jack was the Assistant Scout Master and Annabelle was a Den Mom for Boy Scouts of America Pack 465 in Pennsylvania. Jack was known for his superb woodworking skills, setting up HO gauge model train layouts and fixing just about anything.

Jack is happy to be a resident at Ingleside, grateful to the staff who care for him, and enjoys making new friends.

Annual Giving Tree

Each year we put up a tree for the residents. The tree holds tags with gift suggestions for our residents, with costs ranging from a few dollars and up. If you would like to help brighten the holiday season for our residents, please take a gift tag from the tree and purchase the item. Wrap it, attach the original gift tag to the gift and drop the preset off by December 17th at Ingleside's front entrance. This year's giving tree will be painted onto the sliding door and the tags will be on the outside of the window. You are welcome to start stopping by November 24th to take a tag off the tree. We thank you in advance for helping us make this time of year a little extra special.

Minion Pumpkin: Art of the Month

Employee of the Month: Mary J. Storkson – 33 Years

We recently recognized Mary Storkson for her 33 plus years of service to Ingleside. Mary worked at Ingleside for 8 years, then took a short break to take care of her family. A few years later when her children were a bit older, she returned to Ingleside and has continued to work for the past 33 years.... she has committed a total of 41 years of service to Ingleside and our residents and patients!

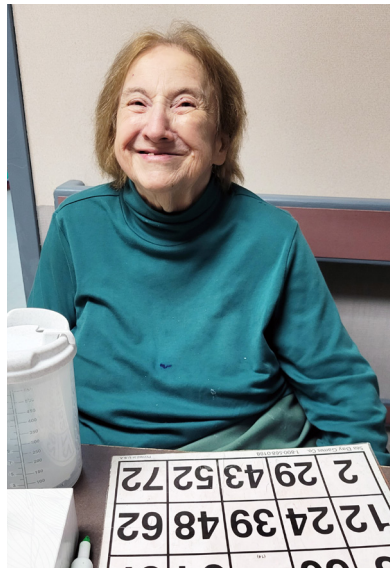

Mary has seen many changes to Ingleside during her years here, met many new friends and become close with many residents/families. Some of the changes she's seen through the years, regulations have changed and so has the way Ingleside looks. She has seen Ingleside grow from a nursing home to a whole community of living options and services for seniors. What hasn't changed is Mary's devotion to taking care of residents. Mary has been flexible with her schedule and picks up shifts whenever she can to ensure everyone is taken care of, including her co-workers.

Thank you, Mary, for your dedication and commitment to our residents, patients, and the entire Ingleside Community. Mary is one of a few CNAs working at Ingleside who have devoted many years to caring for others. Mary is always willing to help out and does it with a smile under her mask! **Congratulations Mary!**

Gift Reminder

If you purchase clothing for a loved one it is very important that laundry labels the clothing with the resident's name. Please bag the new item up and put a tag on it "to be labeled" with the resident's name. Any questions, please ask a staff member.

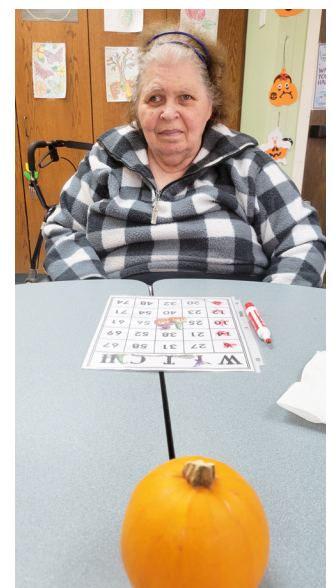

Skilled Nursing Highlights

During the month of October, we held a costume contest and a pumpkin decorating contest. Ingleside was lucky to have Club Interact come in and hand out candy to all three communities. Many laughs and smiles were shared looking at all of the different costumes! A special shout out to our volunteers who come to play the piano at mealtimes in the nursing home. Thank you Dan! Judy is also volunteering her talent at the piano and plays once a month in the activity room. Families are always welcome to join the celebrations.
