When was the last time you called a friend?

Who remembers when the late Regis Philbin asked contestants on *Who Wants to be a Millionaire* if they wanted to "Phone a Friend" to help confirm their multiple-choice answer? Even though you might not have a trivia question that needs to be answered, when was the last time you 'phoned a friend' just to catch up and say hello?

December 28 is National Call a Friend Day, and there is nothing quite like a phone call and hearing a real voice on the other end to help you feel better connected.

Call an old college roommate, childhood friend, or family member. Ask how they have been doing, what is new in their life or reminisce together about the past. Calling someone special out of the blue lets them know you were thinking of them and could really brighten their day!

Letter from our Activity Director

Happy December everyone, holiday time has arrived, let the Christmas decoration and the party planning begin.

October was a busy month for our residents. Many craft days were planned for all. Lots of Halloween decorations hanging throughout our home, cookie decorating day, Halloween bingo, movie day (*Hocus Pocus 2*) with popcorn and juice, and of course our annual Halloween party.

Our Halloween party was well attended, and a good time was had by all. Our residents received goodie bags filled with favorite

chocolates, cookies, lemon bars were served, apple cider. We played trivia and reminisced about the good old days. It is always an amazing feeling when your able to make someone smile and feel happy.

At this special time of year, we do like to remember all the many blessings we receive, and I do count each and every one of you as one of my many blessings as you are all family to me.

Wishing you all a very Merry Christmas and a Blessed New Year!
