She has a daughter named Sharon who is very active in Mrs. Jones life. She has 3 brothers and 3 sisters. She worked in data entry for 25 years. She loved playing the piano and was a bowler in her spare time. She said she grew up on a farm where there were many animals to take care of. She said its been a very good experience here at Th Cove and she thinks everyone is so nice.

Dare to Dream

Last months Meet me on Main Street was so much fun! We found out one of our residents loved to antique shop and owned one of her own! This Dare to Dream holds a lot of meaning and her smile tells it all! Ms. Nancy Lake was thrilled to have a day of antiquing! We set out to the Peddlers Mall and had an absolute blast! She knew exactly what everything was and what it was used for. You can see the true passion she had and how this trip took her back to some of the best moments of her life. We ended our day with lunch at Cracker Barrel. She had the best time and I learned so much from her about antiquing.

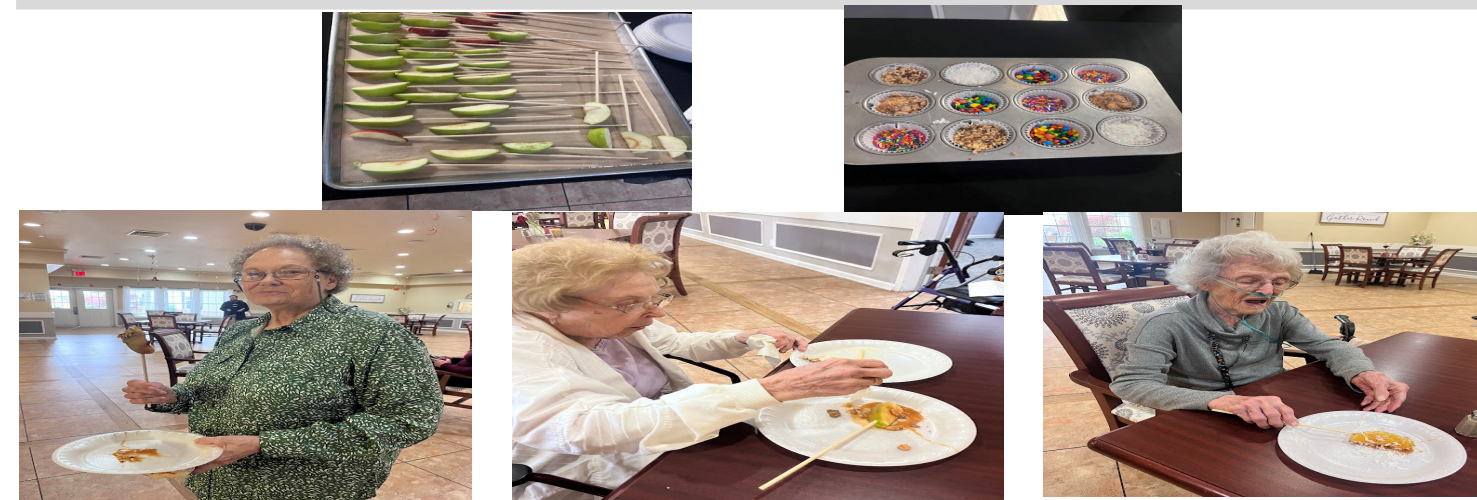

Light Up Your World

Please join us this month as we Light Up Your World here at The Cove. We kick the month off on 12-1 with our annual door decorating contest. December 9th, we go Christmas caroling at our local Nursing Homes (Kenwood and Madison). We will enjoy a nice and cozy day with a Hot Chocolate Bar on the 13th. The 15th of the month we have been invited to Kingston Elementary School for lunch and a play. We will be having visitors from the Ky Storm Softball team singing Christmas Carols and they will be bringing nice and cozy socks for all of our residents. We end the month with a fondue Bar on the 20th. The 23rd is our Resident Christmas Party, pajama day and a Polar Express Movie.
