WONDER: a desire to know something; to think curiously; a cause of astonishment or admiration; a feeling of surprise caused by something inexplicable; we look and cannot believe our eyes. **WONDER** will be our guide for engagement and discussion for the months of December, January, and February.

What do you wonder about?

For unto you is born
this day in the City of
David a Savior, which
is Jesus Christ the
Lord.

Luke 2:11
