A New Year Awaits Us

Welcome 2023!

There is something about the New Year that inspires us. A new year, a new chapter and page in our book of life. The New Year is a change to reflect back not only on the past 12 months, but the many years preceding as well. Happy memories from days gone by warm our hearts, and we hang on to those memories. Some memories remind us we need to let go—to learn from the past but look forward to the future. A new year, a new chapter, a new page. Even as we get older, we are never too old for new friendships, new experiences, and something new to learn.

At Bell Tower Residence, we have many happy memories on which to reflect. We have said hello to many new friends, and sadly we said good-bye to others. Each person here at Bell Tower Residence has impacted our lives in some way. As our paths cross or go side-by-side, we are better people for having known each other.

On behalf of Bell Tower Residence, we say to you, "Happy New Year!" May 2023 be a year of joy and blessings. Thank you for being part of our Bell Tower Residence Family.
