GUARANTEED RIDE HOME

The Guaranteed Ride Home Program (GRH) reimburses commuters who carpool, vanpool, take transit, shuttle, bike, or walk to work or to a participating college in San Mateo County up to \$60 per event (excluding gratuities), up to four times per calendar year. GRH program participants decide how to get home (e.g. taxi, ride-hailing app, public transit, or combination) and complete the reimbursement process after they are home safely. If you use public transit as your GRH ride, Commute.org will give you a \$5 e-gift card bonus.
