Facility News

Wow! What an amazing turnout we had for our annual holiday party. We ate delicious food catered by Andy and the Stevens Point Country Club, visited with friends and family, and even had a visit from Santa and Mrs. Claus who brought gifts for all the residents!

We want to thank all our extended Wellington friends and family for coming out to celebrate with us. We are truly grateful that our extended family could be together once again.

Thank you Joe and his family!

Resident News

We would like to welcome Orv and Karen to the facility! They both moved in recently and are adjusting to life at the facility. Orv moved here from another facility, while Karen moved here from her home in Illinois. Both are very social friendly people, who enjoy chatting, so if you haven't already, please stop and introduce yourself and welcome them to our Wellington Family.

From the Corner Desk of Joey

Happy February everyone! Love is definitely in the air as we go into the most romantic month of the year, but maybe not for everyone. If Valentine's Day isn't really your thing there are plenty of other national days to celebrate during the month of February. Some of these include National Thank a Mail Carrier Day (Feb. 4th), National Pizza and Bagel Day (Feb. 9th), National Polar Bear Day (Feb. 27th), and my personal favorite National Fettuccine Alfredo Day on February 7th! Make sure to mark your calendars! As we continue to push through the winter season, I want to take a moment to remind everyone of the importance of bundling up our residents, even on short car rides. As we get older we become more susceptible to complications relating to the cold such as hypothermia and frostbite which can occur and

said complications have a much quicker onset in this population. If you need any help getting your loved one ready to brave the cold please do not hesitate to ask a staff member to assist. Finally, I just have a gentle reminder for parking here at Wellington Place at Whiting. Make sure not to pull too far forward in the parking space as the front end of your car might encroach upon the walkway, we have around the

front of the facility which makes it difficult to fit things such as walkers and wheelchairs when we go out for walks! Obviously, this isn't as pressing during the colder months but come Spring we will want plenty of room for our residents to finally enjoy the weather again! Thank you in advance for your consideration in this matter, and I hope you all have an excellent February!
