Resident Spotlight!

Meet Sera!

Sera is another of our long term residents. She has lived in our community for 11 years now. She is 1 of 6 siblings and has 2 children. She is versed in world travel and was a home maker. Her husband was nicknamed “Abe” for sharing the same birthday as the late president. Sera has many interests and likes to keep busy as possible inside the community, attends most if not all, activities and never misses exercise.

Sera enjoys afternoons at her puzzle table in the lobby in-between meals and activities. She is an avid reader and often loses track of time while being so enthralled in a good book. Sera enjoys a good mystery movie, and anything based on true events. She is often spotted in the evening at the card table with her friends playing hands. Join her for some of the fun!

When you see her out and about in the community, make sure to say hello!

Transportation

Dear residents;

We love to offer the red carpet service you have come to enjoy within our community. We are here for your transportation needs, and offer transportation on Tuesdays and Thursdays. The hours are from 9:00am and the last pick up time is at 3:30pm. While we understand everyone has places to go and people to see, we would like to remind everyone to please schedule your transportation at least 24 hours in advance at the front desk with our receptionist and the weekend concierge. Doctor appointments does take president over other appointments. We will continue to do our best to accommodate last minute appointments as best as we can. Our driver John, will go that extra mile to make sure you are where you need to be and safely returned after. For all your appointment scheduling needs, call our front desk at 618-343-0800 or just stop by!

Wellness Wednesday, with Cassidy!

Hello Addington Place of Collinsville residents! We invite you to join our Director of Nursing Cassidy Johnson, the first Wednesday of the month for Wednesday Wellness. Each month she is will cover a health related topic. Question and answer portion afterwards. If you have a suggestion on a health topic you would be interested in attending and receiving more education about, please see Cassidy and let her know!

Moments To Remember!
