Our activities are always open to the public!

## Thrift Shop

On the morning of Friday January 6th our Residents went on a joyride to Pinkneyville. This was an exciting trip with friends because we stopped at a nice thrift store for our residents to look around and shop. The name of the thrift store is Caring and Sharing. Our residents all enjoyed looking around and buying a few blouses and material for quilts as well! They had a variety of items to choose from such as, furniture, clothes for all ages, toys, jewelry, miscellaneous items, and even a beautiful china set! We will definitely do some more thrifting soon and see what other treasures we can find!

## Dare to Dream

On January 24th 2023, we were able to surprise Almara with her Dare 2 Dream! She enjoyed a spa day! Almara started her day by getting her hair done from an old friend who use to do her hair before moving to our community. After her hair was done, we took Almara to get a manicure at Star Nails in Belleville, of course she picked her favorite color for her nails... RED! Some of her family were able to tag along to make her day even more special including her cousin, sister, brother in law, son and his wife! We ended the day eating lunch at Fletchers in Swansea. Almara decided on their delicious fish and mashed potatoes. She loved spending the day with family and getting pampered!

## Glow Bingo

On Friday January 20th, our residents were able to enjoy a GLOW BINGO! Every Friday afternoon we play bingo in the dining room but this was a special event because, not every day do we get to dim the lights and wear glow sticks! Our residents were able to pick from glow glasses, bracelets, and necklaces. We also had cute glow stick lanterns to decorate the tables with! We shared many laughs with our friends, and everyone had a blast!
