Arlington Place News

We took a ping pong ball and tried to hit it in the muffin pan. Then we went up in size and tried to throw a pool ball into a bucket held by one of our friends. They want to know who comes up with these ideas. 🤔

Kale brought in Ava to visit the residents. Pet Therapy is a wonderful thing. It helps with anxiety and loneliness. If you have a pet of any kind and it is up to date on its shots and is friendly, we encourage you to bring them in so we can oooh and awe over them.

The Next Sweet Adventure

February, has some new adventures for us here at Arlington Place. I am so excited to start some of these changes as soon as we can. Every month we have a new theme and we will be doing activities around that theme. February, is A Year of Sweet Adventure. The word sweet means: Having the pleasant taste characteristic of sugar or honey. One usually thinks of candy, I think more along the line of ones personality or how they act towards others. We have Valentines Day to celebrate, We have a day of playing Candy land. We also will be starting meetings to include the families so we can help with better communication about your loved one. Our First meeting will be **February 16th, at 5:15pm**. Please plan on joining us. We hope to put a little more color in our life and so we will be having different days of dressing in a certain color. We also are improving on our Dare to Dream program. If we draw your loved ones name, you will be hearing from us in hopes of planning something BIG! If you have any questions or concerns that I can help with please feel free to reach out.

SWEET MOMENTS AHEAD

Hello all, Happy February! Starting this month we have a new layout for our Arlington Place Newsletter. Each month you will get to hear a few of our different coordinators. Starting in March we will have some additions for our residents in Memory Care. Something to look ahead to in the coming months is Quarterly Family Meetings that will be held in the evenings.

Starting in February I will be having two days in the month that I will be making a special breakfast for the residents in Memory Care. I welcome any family and friends that would like to join us for these breakfasts on the 8th and the 22nd of February. Looking ahead to our holiday for the month, on Valentines Day we will be having Steve Castell followed by our Valentines Day party! The day of the 14th we will have a fun Valentines photo booth for anyone that would like to participate! It has been a blast planning the many fun activities for the month of February with Karen and Katelyn and we can't wait to for the sweet moments!
