Glenwood Gazette

The month of Love is upon us. February brings one of our favorite community traditions: Valentine's Day Dinner & Coronation. If you are a new resident this year, let me share! The Glenwood Place staff prepared a romantic dinner on Valentine's Day evening. A three course meal, entertainment and crowning of this year's King and Queen of Glenwood Place will take place. A few days before the event, each resident will have the opportunity to vote for who they think should be crowned. Ballots are often handed out at the lunch hour, but for those of you who do not attend lunch, make sure to stop by the front desk to cast your vote.

Melinda has some wonderful activities planned for the month of February. We love to provide group transportation to dinner outings. Residents who choose to dine out will be responsible for their own bill. If needed, the cost of your meal can be applied to your Glenwood Place bill.

We were able to fulfill a Dare to Dream for Jane in January. She attended an MCC basketball game, and was honored during the pre-game, and was gifted MCC swag presented by the girls basketball team. The Athletic Director, Ryan Haack, presented us with season passes to the remainder of the sporting events through 2023! We can attend any basketball, softball or baseball games. Would that be a group outing you would like to add to the activities calendar?

I hope you all feel the love throughout the month of February! Cheers.

Dare to Dream: Jane

Each month, Glenwood Place has the opportunity to provide a Dare to Dream to one resident. This program allows them see through dreams that are planned by the resident, or often times planned as a surprise by the coordinator team. "The dreams come to fruition by our staff. We get to know the residents really well. We quickly learn their history, careers, hobbies old and new, and with the help of their families, the Dare to Dreams come to life.", says Brooke Davis, Community Relations Coordinator.

Jane has always had a love for athletics, in particular women's collegiate basketball. Jane is a resident at Glenwood Place, but prior to her calling Marshalltown home, she spent her lifetime in Iowa City. Jane spent her career working at the University of Iowa in the registrar department. Because of her hometown and University connection, she was a big supporter of the Iowa basketball program. She claims she went to every game she could! Knowing this about Jane's past helped the staff at Glenwood Place plan a special Dare to Dream for her. Getting her to an Iowa Basketball game was the big dream, but because of some obstacles we know we had to modify our plan. Life Engagement Coordinator, Melinda, reached out to the Marshalltown Community College, and with the help their staff, we were able to plan a special game day Dare to Dream for Jane.

"MCC outdid themselves!", says Davis. "They planned a pre-game recognition, and the team presented her with yellow roses, a signed team poster and some MCC swag! We would like to thank the MCC athletic community for helping us make this simple dream come true for Jane. An ordinary basketball game to most, felt like Disney Word for Jane."
