A Short Valentine's Day Memory

"As Valentine's Day approached, I tried to think of an unusual gift for my husband. When I discovered that his favorite red-plaid pants had a broken zipper, I thought I had the perfect Valentine. I had the pants repaired and gift-wrapped. On the package I put a huge red heart on which I printed: My Heart Pants for You. I was the surprised one, however, when I saw the same heart taped to our formerly empty, but now overflowing, wood box. On it he had written: Wood You Be My Valentine?" —
