

## Estancia Del Sol Named as The “Best” by U.S. News & World Report

U.S. News & World Report’s first-ever ranking of senior living communities has hit newsstands! Estancia Del Sol earned two designations on the list – “Best Assisted Living” and “Best Memory Care”.

U.S. News awards the title of Best Senior Living only to those communities that satisfy the publications’ objective statistical assessment of each senior living community’s performance based on consumer satisfaction surveys administered between March 2021 and February 2022. Surveys reflect the viewpoints of more than 200,000 current residents and family members of residents living in thousands of senior living communities nationwide.

The inaugural U.S. News Best Senior Living ratings and profiles offer comprehensive information and a complete analysis of consumer satisfaction data. Factors considered in the evaluation included community aesthetics, activity, food and dining experience, caregiving, and management and staff for nearly 2,500 communities nationwide. For more than 30 years, U.S. News has served the American public as an unbiased arbiter of quality across a variety of important choices. Whether picking a college, selecting a hospital, or moving to a nursing home, consumers go to U.S. News to research and make consequential life decisions.

“Until now, families have had limited information when

comparing providers of independent living, assisted living, memory care, or continuing care,” said Ben Harder, managing editor and chief of Health Analysis at U.S. News. “The Best Senior Living ratings fill this informational gap with comprehensive and transparent data to help older consumers and their families identify high-quality senior living communities that meet their needs and preferences.”

“I am extremely proud of the dedicated team at Estancia Del Sol, who provide the highest quality of care and services to the seniors and families, even amidst the most challenging of circumstances during the COVID crisis,” said Jeff Fischer, president of MBK Senior Living.

“We are honored to be counted among the ‘Best’ senior living communities in the nation,” said Fischer. “The ranking is based on resident satisfaction scores, which tells us we’re on the right track and to keep up the good work – or Yoi Shigoto, as we call it.”

Yoi Shigoto or “the good work” is a Japanese concept that is the driving force behind the company’s culture of care. More than a mantra, Yoi Shigoto is part of the company’s overall commitment to build trust, set high standards, develop potential and contribute to society.

“Every program offered at Estancia Del Sol is influenced by Yoi Shigoto and helps us to create an environment of respect, security, care and compassion that makes a difference in the lives of those we serve,” added Fischer.
