POLICY: As an Assisted Living with Dementia Care licensed facility, Vista Prairie Management, LLC. supports person-centered dementia services in the following manner:

1. Philosophy of dementia care services: Joy filled exceptional lifestyles for older adults
2. Facility's Mission:
 - Purpose: Vista Prairie Communities is called to serve older adults who entrust us with their lives, health, and well-being.
 - Method: Our team transforms lives by providing compassionate care and joy-filled environments in the greater communities we serve. We seek opportunities to help the people we serve, including staff, find exceptional lifestyles. It's about compassion and joy wherever we go.
 - Vision: We want to provide purpose for an aging population, to bring awareness of the greater value of older adults in the broader communities we serve. Our aim is to move people from fear to vitality and from loneliness to belonging.
3. Facility's Values:
 - Caring – Kindness, compassion, and concern for the well-being of people throughout life's journey.
 - Respect – Honoring the dignity and unique needs of all people.
 - Collaboration – Achieving common goals through teamwork and partnerships.
 - Innovation – Finding new and better ways to fulfill our mission in an ever-changing environment.
 - Stewardship – Mindful of our responsibility to wisely use the resources entrusted to us.
4. Facility's Promotion of Person-Centered Services: Our primary focus is to provide an attentive and caring environment for seniors dealing with Alzheimer's Disease and other forms of dementia. Our services are full of activities that help relieve the anxiety, confusion and frustration that impact residents' lives. The trained staff recognize that we can dramatically improve our residents' quality of life by maintaining their dignity and individuality, encouraging engagement with family and friends and offering attractive and personalized living accommodations.
