Executive Spotlight

Happy March! I'm so excited to share that our private dining room is now open and ready for you to reserve and share a meal with your guests.

We ask that you contact the front desk to reserve the room and the number of guests that will be eating. We are thrilled to see more people eating in the dining room and participating in activities. Enjoy your month and hang in there... spring is almost here!

"All of my Arbor Glen Friends, I thank you for letting me represent you as our King for the day. Those of you present at my coronation, you know that I immediately declared free meals for everyone for the next month. Later that day I discovered that there is one position that has more authority than the King and that individual overruled me - so no free meals. However, I do declare that we the residents and staff continue to have wonderful, fun times and events together!"

- Bill

"Thank you- thank you for the wonderful Valentine's Day party! Thanks to each and every one of the lovely young ladies who worked hard to serve us, the music kept a happy mood for all!! This was an absolute surprise of my life!" - Mae

NURSING UPDATES

Hello,

We have some upcoming changes related to use of side/bedrails related to our Corporate direction. We are implementing all side rails on "homestyle" "regular beds" will need to have a Halo side rail. This is related to safety from entrapment. Hospital beds can also utilize the Halo side rail but it's not required as hospital siderails do comply with department of health standards. A detailed letter will be sent out soon providing more information on Halo siderails and where items can be obtained. Please reach out to Bobby or Ann with questions regarding siderails.

The memory care units will now have white boards being placed in everyone's room. As staff see items are running low they will write it on the board. Family please check the board frequently and erase as items are brought in. We hope to eliminate times in which a resident runs out of an item. Thank you!

WELCOME
