~ EMPLOYEE OF THE MONTH ~

CINDY SLOCUM, RN
HEALTHCARE COORDINATOR

Our March Employee of the Month is Cindy Slocum.

Cindy was born in Massachusetts and moved to Iowa within the past year. Cindy has been married to her husband, Dan, for 38 years. She is a very loving mother to three girls, Whitney who still lives in Massachusetts, Amy who lives in Florida, and Holly who lives here in Carroll. Cindy also has three grandchildren, Gracyn (10), Caleb (8), Emma (3) and one on the way!

Cindy has been a nurse for 32 years! In Cindy's free time, you can find her out going for a walk. She also loves to go ice skating and she really enjoys traveling.

Cindy has been an absolute blessing to our Addington Place of Carroll team since joining in October of 2022. We all appreciate YOU!!

~ RESIDENT OF THE MONTH ~

Our March Resident of the Month is Edna Maruska. Edna grew up in Lake Andes, South Dakota. Edna and her husband, Jesse of 42 years, have four children, three daughters and one son, six grandchildren, and many great grandchildren. Edna was a pharmacy tech as well as worked in the auditor's office in South Dakota.

Edna served in the Navy Waves for 32 months and this past May was fortunate to get the opportunity to go on the Honor Flight.

In the past, Edna was an amazing seamstress who made much of her family's clothes. Edna also loved reading and doing crossword puzzles. To this day, Edna loves spending time with family and friends as well as playing a good game of Bingo.

We are so blessed to see Edna's beautiful smile day in and day out!

MARCH THEME “OH! THE PLACES YOU’LL GO!”

We are very excited for the month of March not only because SPRING is right around the corner, but also because of our March theme, “Oh! The Places You’ll Go!”. We have many activities planned around that theme as well as each Friday will be themed around a Dr. Seuss book.

GIN'S DARE TO DREAM

Before making her move to Addington Place, the Corner Station in Templeton was the hot spot for Gin to hangout and have a nice cup of coffee with her friends. One Monday morning in February, Gin was joined by 8 of her friends at the Corner Station for breakfast. Following her visit with friends, we drove around the town seeing the new renovations within the community. To complete the morning, we stopped at the Templeton Distillery where we went and saw the museum, the bottling line where Gin used to work, and the tasting room. While touring the distillery Gin stated, "Boy, does this bring back a lot of memories".
