March 2023 Newsletter

This month we are honoring our Resident Assistant's who selflessly provide personal care, and physical/emotional support to our residents 24 hours a day, 365 days a year!

We think the special kindness and patience of Resident Assistant's should be celebrated year-round. We should be there for them, just as they are there for our residents. Thank you team Addington Place of Mount Pleasant going the extra mile in providing the essentials and necessities our residents need!

Instead of sticking them in our ear, we took our paint covered Q-tips and poked around a heart cut-out on a blank canvas ... The results made our hearts flutter!

We are thrilled to announce that our very own RN, Jessica Dalton, won Community Nurse of the Year!

You could buy yourself your own flowers, but you as a community took initiative to Petal It Forward and get all of our residents flowers for our annual Valentine's Day Ball!

Special thanks to Tena from From the Heart Flowers & Gifts for the beautiful arrangements, Christa from Curana Health for the notepads and stress balls, and our staff for coordinating such a loving atmosphere!
