## George & Helen Moore

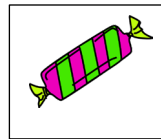

**We couldn't go without George and Helen for National Married Couples Day. Each resident lined up to hand Helen a rose and congratulate them on 74 years of marriage. George said while looking at her, "She is just as beautiful as the day I met her". EDD the Florist donated such beautiful red roses for this special occasion.**

This month's theme for the community was "A Year of Sweet Adventure".

## Mini Pizzas

During National Pizza Day  
the residents got the

## Happy National Caregiver Day

We honored our resident assistants with National Caregiver Day. They provide support to our residents 24 hours a day, every single day. Some of the residents made cards and wrote notes to all the RA's.

## Mondays are Self Care Days here at Addington Place

Every Monday our hairdresser Elynna comes in and pampers the residents. Right after they have the option to get manicures done!
