

For more than a century, Ebenezer has empowered older adults to lead healthier, more vibrant lives. Since our first facility opened in 1917, we have committed ourselves to provide a unique standard of care and quality of experience to all our residents and their families.

Ebenezer translates from the Hebrew phrase “stone of help,” our guiding principle is to sustain exceptional care and programming at the facilities we own, to ensure our partners uphold the Ebenezer Promise standard at their facilities, and to enhance the range of services we offer at every property we touch.

MISSION:

To provide financial support so seniors can thrive and live meaningful lives.

VALUES:

Treat every resident and family member with the dignity and respect they deserve.

OUR WORK:

The Ebenezer Foundation serves as the philanthropic liaison between Ebenezer Senior Living and our generous family of donors.

ETCHING OUR FUTURE IN STONE:

Join us for an evening of celebration with our partners, donors, and community members to learn how we continue to empower older adults to lead healthier, more vibrant lives. We invite you to attend our reception which will feature a captivating and meaningful program, activities, delicious food, and live music. Proceeds from the evening will support Ebenezer programs that provide quality care and enhance the lives of the residents we serve and their families.
