## OFFERING DESCRIPTION - 116 words

The Fountain of Love Offering is a way for YOU to participate in caring for older adults in need living in a Methodist Home. Because of your support, **no resident has ever been asked to leave a Methodist Home because of their inability to pay.** Last year the Fountain of Love awarded more than \$326,000 to residents in need. We hope that you will again give generously in 2023 and be a blessing to those who depend on the Fountain of Love for help. Fountain of Love Offering Sunday is \_\_\_\_\_.
