Fountain of Love

Honoring Their Past
Securing Their Future

NOTES FROM RESIDENTS AND FAMILIES:

“I recently applied for assistance from the Fountain of Love Foundation to help with my mom’s care. I wanted to personally thank you for the award that was recently approved for her. This award is such an answered prayer for our family. She’s had so many changes in her life the past two years, and with her dementia, change is so difficult. We love (*community*), and are so grateful to be able to keep mom, and her dog, there for the near future.”

“God has blessed me in so many ways with a loving family and friends. Fountain of Love has exceeded my blessings by helping me to remain at (*community*). I am so thankful for your approving help on my behalf.”

“I wanted to take this opportunity to thank you for the support given to my mother-in-law...through your Fountain of Love Scholarship. Without it, our family financially would not have been able to have her stay at (*community*). It just meant the world to us... She truly enjoyed the fellowship offered, the friendships made, the meals provided and the medical care she was given. May God bless you and your organization and I hope you will be able to continue to help other families who need it.”

“We want to express our appreciation for the many years you oversaw care of our mother... We felt comfortable with mom’s care and the frequent communications we had... She was thankful for the kindness of staff that attended her during her years at (*community*)... May all your patients experience the good care our mother received.”

“Thank you, Thank you. What more can I say? During my recent stay at (*community*) God brought me a huge number of loving caring helpers. We felt the genuine efforts they showed when aiding all of us there. God’s values of “be ye kind” showed they were sincere in their work.”
