Easter Bunny visit

Easter treat for our Resident council meeting, thank you Mary.

A Letter from our Activity Director

Happy May to all.

March has left us with very cold temperatures, it snowed almost every Thursday of the month. It did warm up during the day though so that is a good sign that outdoor visits are getting closer and closer!! The robins we have all been waiting for are everywhere!!

For St. Patrick's Day our resident enjoyed a yummy St. Patrick's Day ice-cream float. Thank you, Rachel, and Dee for providing this for our residents.

Also, a big thank you to Ben H. for volunteering to clean up the pond area for our facility and our residents!

Our residents enjoyed homemade Easter cupcakes that our residents decorated themselves. There was also a small Easter egg hunt for our residents, and a surprise visit by the Easter bunny, lots of fun was had by all.

Happy Spring all.

We Appreciate Our Nurses

National Nurses Week begins each year on May 6 and ends on May 12, Florence Nightingale's birthday. We would like to recognize nurses for their dedication to providing quality care for homebound individuals, hospitals, health centers, and senior living facilities.

This week be sure to show your appreciation for your favorite nurse or nursing staff by expressing your gratitude! This could simply be a wonderful, uplifting compliment, card, flowers, gift basket, or catered lunch.

From all of our community staff, we want to honor the dedication of nurses, who work selflessly day and night to help heal and care for our residents. Thank you!

Resident of the Month

Dorothy S. is our Resident of the month.

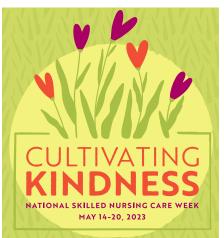

Dorothy is such a pleasure to have in our home.

She loves to join in on our activities, she enjoys working on word puzzles, listening to music, and talking about her younger years. Her son-in-law Rob visits often, she always has a big smile on her face whenever he visits. Thank you, Dorothy, for being a part of our family.

National Skilled Nursing Care Week

The 2023 theme for National Skilled Nursing Care Week (NSNCW), *Cultivating Kindness*, is inspired by the many acts of kindness that happen in skilled nursing care centers every day. Research has found that practicing compassion and kindness not only can improve health and well-being but can also strengthen human connections and bonds. Staff, residents, families, and members of the local community are encouraged to come together, lift each other up and participate in activities that promote and spread kindness.

Now and through May 14-20, 2023, families, residents, and staff are encouraged to collaborate and participate in activities that encourage "cultivating kindness" such as sharing kind personalized feel-good notes, drawings and/or video messages.

Plan some fun spring fling events that feature local choirs, music groups, or dance troupes. Encourage intergenerational game nights and attending outings, activities, and meals with loved ones to celebrate.

Established by the American Health Care Association (AHCA) in 1967, NSNCW, formerly known as National Nursing Home Week recognizes the role of skilled nursing care centers in caring for America's seniors and individuals with disabilities.
