Your Harmony opportunity begins with a commitment to our belief that we are a Family Serving Families company, which is rooted in the traditions and values of our founders. Our Harmony mission is to provide each resident, family member and associate with the same care, compassion and respect we would our own family.

VACATION

Harmony feels that it is important for associates to take time off. Vacation is available to full time associates and is earned as follows:

1-4 years:

10 days (80 hours) are earned
(5 days may be taken after 6 months of continuous employment for a total of 10 days first year.)

5-9 years:

15 days (120 hours) are earned

10 or more years:

20 days (160 hours) are earned

SICK LEAVE

To assist our associates during time of illness, sick time accrual is available to full time associates. Accrual of five (5) days or 40 hours of paid sick time per year will begin on your hire date and can be used after 90 days of continuous service. Accrued sick time up to (5) days or 40 hours can be rolled into the following year.

PAID HOLIDAYS

One paid day off will be granted to all eligible employees (full time) for each of the following holidays:

- New Year's Day
- Memorial Day
- Fourth of July
- Labor Day
- Thanksgiving
- Christmas

401(K) RETIREMENT PLAN

Harmony Senior Services offers a 401(k) Retirement Plan through The Principal. Once associates meet eligibility, associates are auto-enrolled into the plan at 2% of their income, pre-taxed. This percentage will increase 1% every January 1st to a maximum of 10%.

HEALTH SAVINGS ACCOUNT (HSA)

Health Care HSAs help you pay for qualified medical expenses for you, your spouse, and your dependent children (regardless of whether or not they are enrolled in your medical plan as long as they are included as dependents on your tax return.) Examples of qualified medical expenses include medical and prescription copays, dental care, prescription sunglasses, hearing aids, and prescribed OTC medications. Contributions are made into the account by a payroll deduction and are limited to the maximum amount each year. You must have the money in your account to reimburse yourself; you cannot exceed the amount in your account. As you incur expenses, simply use your debit card to pay or submit a paper claim for reimbursement. Please note that health insurance premiums paid for by an employer plan or for other health insurance coverage are not eligible for reimbursement.

MEDICAL (FSA)

Flexible Spending Accounts allow you to reduce your taxable income by setting aside pre-tax dollars from each paycheck to pay for eligible out-of-pocket health care and dependent care expenses for you and your family. There are two types of FSAs: Health Care FSA and Dependent Care FSA. You can elect one or both of these.

DEPENDENT CARE (FSA)

Dependent Care FSAs help you pay for the cost of day care for your dependents so you and your spouse can work. Eligible expenses include:

- Care for your dependent child who is under the age of 13 whom you can claim as a dependent for tax purposes
- Care for your dependent child who resides with you and who is physically or mentally incapable of caring for him/herself
- Care for your spouse or parent who is physically or mentally incapable of caring for him/herself. If the situation is educational in nature (i.e. Kindergarten), the expense cannot be reimbursed. An individual day care provider must be a non-dependent relative over the age of 19 and must claim the income on their tax return. Your annual contribution amount is deposited into your account and only the amount you have contributed to date, less any previous reimbursements, will be available to you. You may only receive reimbursements for services already incurred.
