BRINGING **QUALITY CARE** TO YOU
HOME HEALTH CARE SERVING CENTRAL WISCONSIN

Transitions at Home is continuing to change and grow! We've added an Administrator to the Spooner Branch. Please Welcome Nicole as our New Spooner Administrator and Maurica as our New Central Administrator!

Hello! My name is **Nicole Danger** and I am happy to share that I started as the Administrator of Transitions at Home's Spooner branch on April 3rd. I graduated from the University of Wisconsin – Eau Claire with a Bachelor's degree in Health Care Administration. Following graduation, I was given the opportunity to move back to Spooner and began my career as a Nursing Home Administrator at Maple Ridge Care Center, which, like Transitions at Home, is also owned and operated by Wisconsin Illinois Senior Housing, Inc. I quickly learned that long-term care was my passion and I loved providing care to those in my hometown and surrounding communities.

Outside of work I like to spend my time traveling, enjoying the lake, or with family and friends. I also have a 4-year-old rescue dog, Maple, who is very "loved."

Our branch currently provides home health services in Washburn and Sawyer counties, but we are excited to expand to surrounding counties as our team grows. I'm very thrilled to be joining the Transitions team and look forward to supporting our mission by helping provide quality home care.

Hello, my name is **Maurica Masias**. I've recently transitioned from the Clinical Manager role to the Administrator role in the beginning of April. I have been with WISH for 12 years, 4 of those years with Transitions at Home Central. It has been exciting to be a part of the growth of the Central location thus far. In my free time I enjoy spending time with my family and friends and my 1-year-old German Shorthaired Pointer, Link. I like to travel, hunt/fish, and DIV projects around the house. I look forward to continuing to be a part of the growth of the Central location and providing quality care to the patients we serve!

Therapy Success Story: Hi, my name is Judy C. and I live in the Villa's Assisted Living Facility in Spooner. I just want you to know I have Julie, Amy, Jodi, who I see the most. I only have Wed with Gwen and I am not sure how long I will have Kristin. I love all of these girls. They have been so kind to me. Gwen did such a good job with my new knee, I'm pretty much on my own again! Kristin is helping me with my upper strength and Jodi with my nursing needs. I do not know where I would be if it was not for these gals. They are angels and I am so happy they were in my life. I would recommend Transitions at Home to everyone! Thank you very much. – Judy C.

May is National Nurses Month and we would like to introduce you to our Wonderful Nursing Team!
