## A Sweet Morsel of Doughnut History

Did you know there are two doughnut holidays each year? The first is the first Friday in June and the second is in November. The Salvation Army is said to have created the date celebrated in June, known as “Doughnut Day,” as a fundraiser to honor the women, known as “doughnut lassies,” who originally delivered fried up tasty dough balls in service-issued helmets to soldiers during WWI.

“Doughnut” is now commonly spelled “donut” due to increased appearance in popular culture, such as *The Simpsons* and Dunkin Donuts. Over the years, the basic doughnut has evolved! You can find exotic doughnut creations filled with combinations of jellies and creams then topped with cereal, candy, and flavored drizzles. Some people will always argue that nothing beats a fresh, off-the-line, glazed Krispy Kreme doughnut!

**Whether you enjoy a cinnamon twist, apple-maple-bacon round, cruller, long john, nutty, Boston crème, bear claw, jelly, coconut, sprinkles, or powdered sugar doughnut holes, there is bound to be a doughnut for everyone! With so many delicious varieties to choose from, what doughnut are you reaching for on June 2?**
