CPMG Privacy Policy

April 1, 2023

At Castleberry Property Management Group inc we respect the privacy of our members and other visitors to our Web site. This policy pertains to all information received through our Site and how your information is collected, used and protected.

Collection
We collect information to provide better services to all of our users. We collect information in the following ways:

- **Information you give us** - We collect and store only direct personal information that our members and visitors knowingly provide.

- **Information we get from your use of our services** - We collect information about the services that you use and how you use them, like website navigational and engagement behavior. This information is stored and collected by Google Analytics. Information collected by Google remains anonymous and is stored for 38 months then deleted from their servers. This information is collected for website performance analyses only and not used for advertising purposes.
    - *Device information:* We collect device-specific information (such as operating system versions, browser interfaces, and connection speeds). These identifiers are not associated with your personal account and stored independently.
    - *Log information:* When you use our services or view content provided by Castleberry Property Management Group inc, we automatically collect and store certain website behavior information in data logs. This log is not associated with your personal user account and cannot be correlated. This includes:
        - Details of how you used our service, such as your search queries
        - Interests
        - Internet protocol addresses
        - General location information
        - Language
        - Network and Connectivity

Use of Cookies
We use cookies to help us improve your experience, increase security, and to measure use and effectiveness of our website. You can control cookies through your browser settings and other tools. By visiting our website, you consent to the placement of cookies and beacons in your browser with this Privacy Policy.

Cookies are used for:

- Security to help us detect malicious activity.
- Performance, analytics, and research to help us understand, improve, and research to improve user experience with the Castleberry Property Management Group inc website.
