The DWSU operates as an independent Water & Sewer Enterprise Fund, which receives no financial support from the County's General Fund (Tax) Dollars.

WATER METER READINGS

The DWSU uses electronic meter reading systems. If a discrepancy arises between the electronic reading and the actual mechanical reading on the meter, the mechanical reading shall be used to reconcile the discrepancy. Accounts that have inoperative meters or are not accessible by the County may be billed based on average or estimated consumption.

PAYMENT ARRANGEMENTS

If you have difficulty making payment by the due date, please contact our office to discuss possible arrangements to assist you in maintaining your service. All payment plans must be confirmed in writing by the DWSU prior to becoming effective. Payment arrangements may not be granted when the account reaches disconnection status. Your water service will not be discontinued for non-payment when a bill is in dispute, provided you have paid all undisputed charges and have made a written request to the DWSU for investigation of disputed charges.

SERVICE TO THE PROPERTY MAY BE DISCONTINUED FOR THE FOLLOWING REASONS:

- Non-payment of bills. (Note: All bills constitute a lien on the property and the County Treasurer's annual Tax Sale will be used to collect these charges.)
- Failure to provide clear and unimpeded access to the meter for the purposes of reading, maintaining, repairing or replacing the meter.
- Failure to comply with water conservation orders/notices.
- Any other violation of the rules and regulations of the DWSU and the *Code of Public Local Laws of Frederick County*.

READY TO SERVE (RTS) CHARGE

This is a fixed charge, based on level of service, which covers a portion of our costs for maintaining our treatment and delivery systems and administrative functions. This quarterly charge appears on every bill and does not vary with your consumption.

The DWSU operates as an independent Water & Sewer Enterprise Fund, which receives no financial support from the County's General Fund (Tax) Dollars.

WATER METER READINGS

The DWSU uses electronic meter reading systems. If a discrepancy arises between the electronic reading and the actual mechanical reading on the meter, the mechanical reading shall be used to reconcile the discrepancy. Accounts that have inoperative meters or are not accessible by the County may be billed based on average or estimated consumption.

PAYMENT ARRANGEMENTS

If you have difficulty making payment by the due date, please contact our office to discuss possible arrangements to assist you in maintaining your service. All payment plans must be confirmed in writing by the DWSU prior to becoming effective. Payment arrangements may not be granted when the account reaches disconnection status. Your water service will not be discontinued for non-payment when a bill is in dispute, provided you have paid all undisputed charges and have made a written request to the DWSU for investigation of disputed charges.

SERVICE TO THE PROPERTY MAY BE DISCONTINUED FOR THE FOLLOWING REASONS:

- Non-payment of bills. (Note: All bills constitute a lien on the property and the County Treasurer's annual Tax Sale will be used to collect these charges.)
- Failure to provide clear and unimpeded access to the meter for the purposes of reading, maintaining, repairing or replacing the meter.
- Failure to comply with water conservation orders/notices.
- Any other violation of the rules and regulations of the DWSU and the *Code of Public Local Laws of Frederick County*.

ACCOUNT NAMES

Accounts are in the name of the property owner(s) as obtained from the Maryland State Department of Assessments and Taxation. Bills can be mailed to a tenant or other third party by contacting our office. However, the property owner is ultimately responsible for payment of all bills.

FINAL BILLS

The DWSU must be notified to arrange a final bill/meter reading as part of the property sale or transfer process.

READY TO SERVE (RTS) CHARGE

This is a fixed charge, based on level of service, which covers a portion of our costs for maintaining our treatment and delivery systems and administrative functions. This quarterly charge appears on every bill and does not vary with your consumption.

WATER METER READINGS

The DWSU uses electronic meter reading systems. If a discrepancy arises between the electronic reading and the actual mechanical reading on the meter, the mechanical reading shall be used to reconcile the discrepancy. Accounts that have inoperative meters or are not accessible by the County may be billed based on average or estimated consumption.

PAYMENT ARRANGEMENTS

If you have difficulty making payment by the due date, please contact our office to discuss possible arrangements to assist you in maintaining your service. All payment plans must be confirmed in writing by the DWSU prior to becoming effective. Payment arrangements may not be granted when the account reaches disconnection status. Your water service will not be discontinued for non-payment when a bill is in dispute, provided you have paid all undisputed charges and have made a written request to the DWSU for investigation of disputed charges.

SERVICE TO THE PROPERTY MAY BE DISCONTINUED FOR THE FOLLOWING REASONS:

- Non-payment of bills. (Note: All bills constitute a lien on the property and the County Treasurer's annual Tax Sale will be used to collect these charges.)
- Failure to provide clear and unimpeded access to the meter for the purposes of reading, maintaining, repairing or replacing the meter.
- Failure to comply with water conservation orders/notices.
- Any other violation of the rules and regulations of the DWSU and the *Code of Public Local Laws of Frederick County*.

ACCOUNT NAMES

Accounts are in the name of the property owner(s) as obtained from the Maryland State Department of Assessments and Taxation. Bills can be mailed to a tenant or other third party by contacting our office. However, the property owner is ultimately responsible for payment of all bills.

FINAL BILLS

The DWSU must be notified to arrange a final bill/meter reading as part of the property sale or transfer process.

The DWSU operates as an independent Water & Sewer Enterprise Fund, which receives no financial support from the County's General Fund (Tax) Dollars.

READY TO SERVE (RTS) CHARGE

This is a fixed charge, based on level of service, which covers a portion of our costs for maintaining our treatment and delivery systems and administrative functions. This quarterly charge appears on every bill and does not vary with your consumption.

The DWSU operates as an independent Water & Sewer Enterprise Fund, which receives no financial support from the County's General Fund (Tax) Dollars.

WATER METER READINGS

The DWSU uses electronic meter reading systems. If a discrepancy arises between the electronic reading and the actual mechanical reading on the meter, the mechanical reading shall be used to reconcile the discrepancy. Accounts that have inoperative meters or are not accessible by the County may be billed based on average or estimated consumption.

PAYMENT ARRANGEMENTS

If you have difficulty making payment by the due date, please contact our office to discuss possible arrangements to assist you in maintaining your service. All payment plans must be confirmed in writing by the DWSU prior to becoming effective. Payment arrangements may not be granted when the account reaches disconnection status. Your water service will not be discontinued for non-payment when a bill is in dispute, provided you have paid all undisputed charges and have made a written request to the DWSU for investigation of disputed charges.

SERVICE TO THE PROPERTY MAY BE DISCONTINUED FOR THE FOLLOWING REASONS:

- Non-payment of bills. (Note: All bills constitute a lien on the property and the County Treasurer's annual Tax Sale will be used to collect these charges.)
- Failure to provide clear and unimpeded access to the meter for the purposes of reading, maintaining, repairing or replacing the meter.
- Failure to comply with water conservation orders/notices.
- Any other violation of the rules and regulations of the DWSU and the *Code of Public Local Laws of Frederick County*.

ACCOUNT NAMES

Accounts are in the name of the property owner(s) as obtained from the Maryland State Department of Assessments and Taxation. Bills can be mailed to a tenant or other third party by contacting our office. However, the property owner is ultimately responsible for payment of all bills.

FINAL BILLS

The DWSU must be notified to arrange a final bill/meter reading as part of the property sale or transfer process.
