

Why Choose Keystone Villa at Fleetwood?

Keystone Villa at Fleetwood is an Award-Winning independent living/ personal care community dedicated to providing compassion and care to our residents. When visiting our community, you are greeted by residents and staff who make you feel at home, part of our family.

Our management team has over 35 years here at Keystone Villa, along with a team of therapists, care staff, physicians and nurses that are dedicated to providing excellent care.

We are a 3- story community known for the many activities and amenities we offer, everything from a library, game room, movie theatre to many weekly entertainers. This home-like feeling is why so many folks are on our waitlist and will someday join our community!

Testimonials

... My parents are both very happy and content at Keystone, which tells me everything! The entire staff is friendly, patient, kind and very accommodating! There is good communication between caregivers and families. It is truly a wonderful place for my parents to live.

Thank you, Keystone Villa at Fleetwood – Family member

...Keystone Villa at Fleetwood is a friendly, caring and considerate community where everyone will know you and your family's names. There are many activities that appeal to most people. Whatever accommodations you may need, they will do what it takes to help in every way. I have never been worried about my mom's safety in any way. I highly recommend this stellar community- Deirdre

... I think Keystone Villa at Fleetwood is the best retirement community in the area! I looked at many other communities and nothing compares to them- Margaret
