From Your Dimensions Manager

I would like to introduce Vernon Terrace's Journey Program. The Journey Program is designed to offer an affordable break for caregivers and/or family members. It is also designed for couples who live together in the same apartment but have differing care needs. Our goal is to make a difference for your loved one by allowing them to experience the special programming available in the Willows Memory Care; meals/snacks are also provided. The Journey Program can act as a bridge between Assisted Living and Memory Care as well. It can help ease the transition into this new setting for both the individual with memory loss and their family. Please reach out to me if you have any questions or would like to learn more about our Journey Program.

From Your Activity Director

The dog days of summer are here! We have a lot of fun outings and activities planned. If there are things you'd like to see for the coming months, please let me know! Some of the outings this month include a drive around some of the city lakes with ice cream. One of the lunch outings is to Macy's Ridgedale on Friday Aug. 25th at 12:00 pm. They have been in the news lately because they have brought back the signature dishes of Dayton's Oak Grill. They even have the chandelier from the Mpls Store's 12th Floor! We'll be going to Park Tavern, Red Lobster, and Maynards for lunch. We have another picnic to Minnehaha Falls planned. We will try going to the Wayzata Farmer's market as they have afternoon hours. We'll also be visiting the Norenberg Gardens and the Landscape Arboretum. For entertainment this month we have our own Richard Johnson playing ragtime piano Aug. 1 at 3:00 pm. Guitarist and harmonica player Todd Beaumont will be here Thursday Aug. 24th at 2:00 pm.
