

THE EBENEZER DIFFERENCE

For more than 100 years, Ebenezer has led the way in developing programs that help seniors live their best lives. Over the years, these programs have become part of who we are and remain the cornerstones of our quality lifestyle promise.

LIFELONG LEARNING

A collection of coordinated arts and education programs designed to keep the mind, body and spirit engaged at any age

DIMENSIONS® MEMORY CARE

Evidence-based practices that honor the needs of those with dementia, encouraging care with compassion and creativity

CRAFTED CULINARY

Talented chefs, made-from-scratch meals using fresh ingredients, and an abundance of choices for residents

FAITH FOUNDATIONS

Our faith-based mission is at the core of everything we do. While we celebrate our Christian faith, we respect and welcome those of all faith traditions.

PERSON-CENTERED CARE

Personalized care serving our residents with compassion, integrity and dignity while coordinating throughout the continuum of integrated services

INTERGENERATIONAL CONNECTIONS

Opportunities for seniors to connect with children and youth of all ages. Sharing talents and resources and supporting each other in relationships benefits both individuals and the community

EXCEPTIONAL CARE AND COMFORT IN THE HEART OF WYOMING

DESIGNED

FOR YOUR LIFESTYLE

Located in the heart of the lakes area in Wyoming, Minnesota, Meadows on Fairview offers outstanding assisted living and memory care in a beautifully appointed, prairie-style building. Seniors needing daily assistance, or those with mild to moderate dementia benefit from care and services designed to promote wellness and independence.

Meadows on Fairview is near shopping, dining and family activities including the Hallberg Center for the Arts. It's also conveniently close to M Health Fairview Lakes Hospital and clinics. For added convenience, Meadows on Fairview provides transitional care for rehabilitative and more complex services.

SERVICES YOU NEED— WHEN YOU NEED THEM

We know that one size does not fit all. That's why we offer a variety of personal and health care services that you can tailor to fit your needs. Whether you prefer a service package that includes trips to our beauty salon, spring cleaning for your apartment, personal assistance getting started in the morning, or medication monitoring—or you would like higher levels of care, Meadows on Fairview can create a plan that meets your needs. Once we assess your needs, we can help create the service package that's exactly right for you. As your needs change, Meadows on Fairview can add or eliminate services.

LIVE YOUR BEST LIFE.

ASSISTED LIVING

Assisted living is a great solution for those who may need help with everyday tasks, but don't require full-time medical assistance. You'll live in a private apartment home with the support you need to live well. Your assisted living monthly fee includes the following services:

- Weekly light housekeeping
- Weekly linen laundry service
- All utilities (except phone)
- Basic cable TV
- Urgent call pendant
- 24-hour personal care staff
- Medical transportation arrangements
- Wellness programs, blood pressure clinics and health care monitoring
- Leisure activities, educational programs, exercise opportunities and much more

As an assisted living resident, you have the flexibility to add other care services such as personal care, wellness services and medication administration as you need it. We have a nurse on site during business hours and on call 24/7. You can add a meal package of your choice. Choose from meal plan options that include a variety of our delicious restaurant-style meals.

Assisted Living Apartment Homes

Meadows offers a variety of apartment sizes and styles. Each floor plan is designed for comfort and convenience—with kitchens, private baths, and lovely views of the prairie. Choose from 18 unique apartment styles ranging from studios to two-bedrooms.

Apartment home sizes:

- Studio 355 sq. ft.
- One-bedroom 529- 612 sq. ft.
- One-bedroom + den 900-924 sq. ft.
- Two-bedroom 802-1,169 sq. ft.

MEMORY CARE

Our memory care neighborhood is located within our campus and is staffed by a specially trained team who provide residents with a higher level of care and attention throughout the day.

Residents in memory care participate in cognitive exercises, sensory activities, and meaningful social and individual engagement that meets them where they are—with compassion and understanding.

As part of Ebenezer’s exclusive Dimensions® program, memory care residents receive exceptional care using evidence-based practices including:

- **Wellness:** person-centered, relationship-based care with an emphasis on hydration and nutrition for all dementia patients to ensure their comfort and well being
- **Training:** delivering innovative, ongoing hands-on education to our staff
- **Engagement:** Fostering purposeful, pleasurable, creative interactions and activities
- **Environment:** Creating calm, seeking psychosocial solutions/support
- **Education and Support:** Providing education and support to families and care partners

Our memory care neighborhood features one-bedroom or studio apartments designed for those living with Alzheimer’s and other forms of memory loss. Additionally, memory care offers inviting community areas for socialization as well as controlled entrances and exits.

TRANSITIONAL CARE

Transitional care at Meadows on Fairview provides short-term licensed nursing, therapy, rehabilitation, dietary support, and social services to bridge the gap between a hospital stay to living at home. Our professional licensed nursing staff collaborates with you and your health care provider to develop a personalized care plan designed to maximize your independence.

Meadows on Fairview transitional care provides additional recovery time and rehabilitation care to help patients return to their homes as quickly and as successfully as possible.

As part of the Fairview Health System, Meadows transitional care provides:

- Physical therapy
- Occupational therapy
- Speech therapy
- Skilled nursing care 24/7
